Article 2

(Requirements for taking part in the competition)

Candidates with the academic qualifications set forth below may take part in the selection process, with no citizenship restrictions:

- Master of Science (MSc) degree
- Similar academic qualification obtained abroad, declared to be equivalent by the Italian authorities or recognised as comparable to the Italian qualification in terms of duration and content and deemed suitable for the purposes of taking part in the competition.

Individuals who have not obtained their qualification within the announcement deadline but who will obtain it within the 31st October may also take part in the selection process.

It being understood that the official starting date of the Ph.D. courses for the School is the 1st October, as specified in article 5 below, which is the starting date of the academic year, entry of scholarship winners who have obtained their degree in October as well as scholarship payment may be postponed to no later than the 1st November. This term shall not be extended any further. Such case, the enrolment date on the Ph.D. programme starts from the day following the date of qualification obtainment.

Candidates holding a qualification obtained in Italy

All candidates holding an academic qualification obtained at an Italian University, whether they are EU citizens or citizens of Non-European Union Countries, are required to self-certify their qualification and are eligible for the selection process subject to verification of the self-certified declarations.

Candidates holding a qualification obtained abroad (EU and NON-EU Countries)

All candidates holding a qualification obtained abroad (EU and NON-EU Countries) are required to submit a copy of their original degree certificate along with a translation unless written in English/French/Spanish/German.

Admission to the Programme for candidates holding a foreign qualification obtained in a NON-EU Country is in any case subject to verification of the qualification held, which is carried out on the basis of the "*Dichiarazione di valore in loco*" ["Statement of Equivalence of Qualification"] issued by the local Italian diplomatic office, or, alternatively, of the Diploma Supplement.

The Statement of Equivalence should contain the following information:

- 1) legal status and nature of the issuing institution;
- 2) admission requirements for the study programme resulting in that qualification;
- 3) legal duration of the study programme and/or the overall commitment required of the student determined in credits (if available);
- 4) value of the qualification for academic and professional purposes in the system/Country which issued it.

Admission to the call is restricted to candidates who are not in possession of a research doctorate issued by an Italian university and, in any case, who have never benefitted from a scholarship to attend a research doctorate course in Italy, even in case said benefit refers to one sole instalment.

Article 3

(Application to take part in the competition)

The application to take part in the competition, one for each Ph.D. programme which candidates wish to take part in, should be drafted and sent by electronic means only, using the specific procedure available in the dedicated section of the School website

www.santannapisa.it/it/phd-admissions within the date specified in each Ph.D. programme information sheets annexed to this announcement which form integral part of the same.

Candidates are required to fill in the application stating the following under their own responsibility:

- a) surname, name, place and date of birth, nationality;
- b) that they hold the academic qualification set forth in article 2 above, specifying the degree programme, its duration and the University or Institution of Higher Education where it was obtained;
- c) the final mark obtained in the MSc degree, specifying the maximum possible mark and the date on which the said mark was obtained;
- d) the date on which they expect to obtain the qualification, for those not already holding it;
- e) the chosen curriculum, where the Programme envisages more than one;
- f) the domicile or contact details for receiving competition-related communications and the undertaking to inform of any further changes of address;
- g) Skype contact details for conducting the interview where applicable using electronic communication tools;
- h) email address, mandatory for competition-related correspondence.

The following may use the self-certification process:

- Italian and EU citizens;
- Citizens of Non-European Union Countries who are legal residents in Italy, only as regards personal qualities and facts which can be certified or attested by Italian public bodies.

People with disabilities should attach a note to the application for taking part in the competition, applying for the assistance they require throughout the competition in relation to their disability, as well as for any extra time needed.

The documents specified in the individual Ph.D. Programme information sheets should be attached to the application form, on pain of exclusion.

The School may perform checks on the truthfulness of the declarations and documents submitted, at any time during the procedure, including after the start of the Programmes, and may request that the original documents be produced. In the event of false declarations, the School may order the exclusion of candidates from the selection procedure or from the Programme at any time, by the substantiated decision of the Rector, without prejudice to the criminal liability deriving from the same.

Article 4

(Selection Board and test examinations)

The Examining Boards for admission to the Ph.D. Programmes are appointed by decree of the Rector and their composition is available for consultation on the School website.

The candidate selection and assessment methods and criteria for drawing up the ranking lists are specified in the information sheets annexed here to.

Article 5

(Admission to the Ph.D. Programme and entrance of students)

Successful candidates are admitted to the Ph.D. programme according to the ranking list and subject to availability of the positions subject to the competition.

The general merit ranking lists, approved by decree of the Rector, are published on the School website. Publication constitutes an official communication.

In case of equal ranking in the assessment phase, preference will be given to the younger candidate.

The School reserves the right to assign any positions which become available as a result of candidates renouncing or dropping out, to suitable candidates on the ranking list. Two rank scrolls are provided for:

- first rank scroll, before the beginning of the courses and in any case within and not beyond the 15th September;

- second rank scroll, following the beginning of the courses, within and not beyond the 1st December; in such case, the scroll flow is admitted exclusively with the favorable pronouncement of the teaching body of the relevant course.

The effectiveness of the selection is subject to confirmation by the competent Ministry of Education, University and Research (MIUR) of the validation for Academic Year 2017/2018 as provided for by art. 3 of Ministerial Decree 45/2013. The start date of the Ph.D. Programmes is 1st October 2017.

NON-EU citizen students should apply for a specific study visa to enter Italy, which is issued by the Italian embassies or consulates in the Country of origin. Students are required to apply for a residence permit for study purposes within eight (8) days of arriving in Italy.

For further information, please go to:

<http://www.santannapisa.it/it/internazionale/welcome-and-support>

In special, justified cases, entrance of students may generally be postponed, to no more than 30 days after the official Programme start date.

On the Programme start date, students should turn up with the following documents at the offices of the School:

- competition application form, printed when registering online and signed;
- valid identity document;
- only for students with a qualification obtained in a NON-EU country: Declaration of equivalence (or a copy of the application for the same made to the competent authorities) or the Diploma Supplement;
- receipt of payment of the regional tax for Right to University Study (DSU) of €140.00 or receipt of the application to the DSU for exemption from payment (for more information on the regional tax, please go to: <http://www.dsu.toscana.it>)

Article 6

(Scholarship and other grants)

The scholarships have the duration of the Ph.D. Course of interest and are confirmed on a yearly basis for admission to the subsequent year subject to the decision by the Teaching Board of the individual Programmes.

The scholarships are awarded according to the general merit ranking lists, without prejudice to the scholarships reserved for specific research topics which may be awarded to the first suitable candidate identified by the Selection Board based on the profile/CV.

The yearly scholarship amount is shown for each Ph.D. Programme in the individual information sheets annexed hereto and is paid in deferred monthly instalments.

The scholarships may not be cumulated with other scholarships granted for any reason, with the exception of those granted by national or foreign institutions to enhance the student's research activity with periods of stay abroad.

Those who have taken advantage, even partly, of a Ph.D. scholarship in the past, may not benefit from the scholarship, even in case said benefit refers to one sole instalment.

Students can access the library and the laboratories of the School in the ways provided for by the respective regulations; students may also make use of the canteen for the entire duration of the Programme (one meal per day from Monday to Saturday, in accordance with the service opening timetable).

The scholarship may be increased as provided for by the Training Activity Regulations for periods of stay abroad authorised by the Teaching Board.

The School will also make an annual budget available to all Ph.D. students pursuant to article 9 of Italian Ministerial Decree 45/2013, starting from the second year of the programme, to cover research activity-related expenses.

The scholarship and grants referred to in this article are subject to the current legislation applicable to scholarships paid by Universities and the Regions for tax and social security purposes.

The School shall insure the students against accidents and civil liability for the entire duration of the programme and undertakes to meet the safety conditions with respect to the rooms, systems, instruments and equipment used within the Programme.

Article 7

(Obligations of the Ph.D. student)

Students are required to attend the teaching and research activities provided by the School within the Programmes and to fulfil the obligations provided for in the Training Activity Regulations – Book III.

Students also undertake to comply with the rules in the Statute, in the Regulations and Codes of Conduct of the School.

For the protection of health and safety purposes, students shall also:

- fill in the intended occupation form;

 - undergo health checks as part of the health monitoring carried out by the Medical Officer of the School;
 - take part in scheduled educational and training courses.
- Penalties shall be applied in case of failure to fulfil these obligations. These may include prohibition of access to the rooms of the School.
