

Curriculum vitae

Véronique CHABLE

INRAE Bretagne-Normandie - UMR BAGAP (Biodiversity, Agroecology and Landscape management),
<http://www.inrae.fr/>

Education and training

2012: HDR (Habilitation à diriger des recherches), Biological sciences, University Rennes 1 – France,
1990-1994: PhD (Doctoral level) Biology/Agronomy/Plant Breeding Ecole Nationale Supérieure Agronomique Rennes
1981-1983: Engineer in horticulture (Master), Ecole Supérieure d'Horticulture – Versailles - France
1979-1981: Engineer in Agronomy (Master) Ecole Nationale Supérieure Agronomique Rennes - France

Positions

Work position 3: 2005-on-going

Researcher: Plant breeding for organic agriculture and participatory research at INRAE - Rennes
Department ACT (Sciences pour l'action, les transitions, les territoires)

Work position 2: 1999-2005

Researcher: Genetic and Plant Breeding on Brassica species at INRA – Rennes-Le Rheu
Responsible of research programmes on Brassica breeding and epigenetic phenomenon in the species; Participation to genetic resources evaluation; initiation and coordination of new programmes on participatory plant breeding for organic agriculture
Department Genetic and Plant Breeding

Work position 1: 1983-1999

Researcher: Genetic and Plant Breeding on Brassica species in INRA Plant Breeding Station – Le Rheu for CERAFEL (Comité Economique Régional Agricole Fruits et Légumes) de Bretagne
Responsible of research programmes on cauliflower breeding and genetic studies in Brassica species

Current main research topics: organic agriculture, genetic and participatory plant breeding, multi-actor and transdisciplinary research

EU projects

- Coordination of Farm Seed Opportunities-FP6 (2007-2010) and SOLIBAM-FP7 (2010-2014) and DIVERSIFOOD - H2020 (2015-2019);
- Participation to EU H2020 projects (WP leader or co-leader): CERERE (2016-2019), DYNAVERSITY (2016-2020), LIVESEED (2017-2021)
- On-going participation (WP co-leader) to Horizon Europe project: LIVESEEDING (2022-2026)

Other European activities

Member of the Advisory Board for challenge 2 of the H2020 program (Agriculture, food, forestry and fisheries) 2014-2019
Member of a Focus group (European Innovation Partnership) for organic agriculture

Last publications

One book: La Graine de mon assiette (translated in Italian) 2020, 240 p Apogée Edition, ISBN: 978-2-84398-648-2
