

# ROBERTO TALENTI

My name is Roberto, I am an environmentalist and an Europhile, and I am an expert in international climate change law and governance. My main fields of specialization include International and European climate change law, environmental governance, and post-sustainable development studies. I am particularly interested in the study of the intersection between climate change law and agri-food law. I am a very sociable and proactive person, I am curious, creative and tenacious, and I would love to serve as a researcher or consultant for a university, think-tank, or NGO.

## WORK EXPERIENCE

- **JUNIOR RESEARCHER** (19/04/2022 – 19/07/2022)  
– **Istituto Affari Internazionali (IAI), Energy, Climate and Resources Department**; Rome, Italy.  
As a research assistant for IAI, I support the Energy, Climate and Resources Department in conducting researches and drafting articles related to a number of projects, among which: the 'Green Deal Watch', 'Nexus', and 'European Green Deal: Reaching Beyond Borders'. My main activities include: data collection, drafting of articles, editing of reports, and translation of documents.
- **EU POLICY ANALYST** (01/03/2021 – 04/06/2021)  
– **Confagricultura, Brussels Headquarter**; Brussels, Belgium.  
As a trainee for the Brussels office of Confagricultura, I supported the branch specialized in EU agricultural and environmental policies. I analysed documents, I drafted reports, and I participated to meetings which focused in particular on the creation of the CAP 2023-2027, and on the implementation of the Farm to Fork Strategy.
- **UNIVERSITY RESEARCH ASSISTANT** (15/07/2020 – 02/09/2020)  
– **Sant 'Anna School of Advanced Studies**; Pisa, Italy.  
As a research assistant, I had to read and analyse relevant documents (e.g. IPCC reports, SBSTA reports, and academic publications), and I had to identify and summarize the elements that were necessary in order to support Professors Alabrese and Savaresi in the writing of a chapter of the book: 'The United Nations' Declaration on Peasants' Rights' (published by Routledge in January 2022). The title of the chapter is: 'The UNDROP and Climate Change: Squaring the Circle?'.
