

PERSONAL INFORMATION

Antonio Rizza

WORK EXPERIENCE

- 2008- Today Cardiologist at the Division of Cardiology, Hemodynamics I/O, of the Foundation "Gabriele Monasterio" CNR, Ospedale del Cuore in Massa Tuscany (Italy).
Via Aurelia Sud - Loc. Montepesce, Massa (MS), Italy
- February 2001- March 2008 Employment with a fixed-term contract at the Istituto di Fisiologia Clinica of CNR Pisa - Massa.

EDUCATION AND TRAINING

- 10/27/2004 Specialization in Cardiology, at the School of Specialization of the Faculty of Medicine and Surgery of the University of Ferrara. Thesis: "The carotid stenosis in patients at high surgical risk" Speaker Chairman Prof. Roberto Ferrari
- 01/23/1999 Master degree in Medicine And Surgery
University of Pisa, Italy
• Thesis: "Study of kinetics and biological effects of atrial natriuretic factor in patients with idiopathic dilated cardiomyopathy" Supervisor: Dr. Andrea Bagnoli
- 1988 High School Graduation, Diploma di Maturità Scientifica
Liceo Scientifico Statale "Lombardi Salliani", Pavia Po'castro (CL), Italy
• Mark: 52/60

Membership Of Professional Associations

- Sign up to the Order of Physicians of the Province of Pisa.
- Subscription to the National Medical Hospital Cardiologists
- Subscription to the Italian Society of Cardiovascular Echography.
- Subscription to the Italian Society of Invasive Cardiology (GISE).
- Member of the European Association of Percutaneous Cardiovascular Interventions (EAPCI)

Speaker and teaching activities	- Sixtieth National Congress of the Italian Society of Cardiology (Rome, 11-15 December, 1999). - Thirty-first National Congress of Cardiology dell'AIMCC (Florence, 20-23 May, 2000). - Organizer of the "Residential Course of Hemodynamics and Interventional Cardiology". "G. Pasquinucci" Hospital, Massa, 22-26 October 2000 - Sixty-first National Congress of the Italian Society of Cardiology (Rome, 16-20 December, 2000) - Lecturer at the "5th Residential Course of Hemodynamics and Interventional Cardiology". "G. Pasquinucci" Hospital, Massa, 7-12 May 2001 - Lecturer in the context of the "Biomedical Instrumentation" on the training course IFTS for biomedical equipment technicians, managed by the "G. Pasquinucci" Hospital, Massa, in collaboration with the Istituto Tecnico Industriale "A. Meucci" Massa, the ITAL-TBS company and the Province of Massa-Carrara. - Head researcher for the Institute of Clinical Physiology - CNR "G. Pasquinucci" Hospital Massa of the TEMISTOCLE study, organized by ANMCO (National Association of Doctors Hospital Cardiologists) and FADO (Federation of Associations Executives Hospital Internists). - Head researcher for the Institute of Clinical Physiology - CNR "G. Pasquinucci" Hospital Massa of the GISS-HF study, Italian Group for the Study of Survival in insufficient cardiac organized by ANMCO, the National Medical Association Hospital Cardiologists and Istituto di Ricerche Farmacologiche Mario Negri. - National Congress of the Italian Society of Invasive Cardiology (GISE) Oral Communication Session "PCI in the Elderly": "vascularization in patients over eighty years" (as Quasimodo) (Genoa 15-18 October 2003). - National Congress of the Italian Society of Invasive Cardiology (GISE) Oral Communication Session "Non Coronary interventions". "Woody Allen-like: do not hurt my brain, it's my second favorite organ. Clinical significance of carotid stenting in atherosclerotic high risk patients" (Napoli 6-9 October 2004). - Twelfth Congress of Clinical Physiology-CNR. Oral Communication "The carotid stenting in patients at high surgical risk." (CNR Pisa Area S. Galardo, 13 December 2004). - "Lecturer" in the session "Cardiovascular disease: non invasive diagnosis" of "10th Advanced Training Course in Cardiology, Cardio Surgery and Related Anesthesia" organized by Scuola Superiore di Studi Universitari e di Perfezionamento S. Anna, Council of National Research - Institute of Clinical Physiology, Heart International School, "G. Pasquinucci" Hospital, Massa 11-15 April 2005. Report entitled: "Study of Sovereign vessel" - National Congress of the Italian Society of Invasive Cardiology (GISE) Oral Communication "Artery-Carotid stenting with routine use of embolic protection device: short and long-term results in a series of high risk surgical candidates" (Genoa September 2005) - Organizer and Discusant of "Appunti di viaggio". Course of interventional radiology with live cases". "Pasquinucci" Hospital, Massa 27-28 October 2005 - "Chairman" and teacher at "11th Advanced Training Course in Cardiology, Cardio Surgery and Related Anesthesia" Preparatory COURSE organized by Scuola Superiore di Studi Universitari e di Perfezionamento S. Anna-Pisa National Research Council-Institute of Clinical Physiology-Pisa, Heart International School-Bergamo, 7-18 November 2005 "G. Pasquinucci" Hospital, Massa. Report Title: "Evaluation and treatment of carotid artery stenosis". - Speaker at the course "The patient with the intracardiac disease undergoing invasive treatment" organized by Azienda USL 1 Massa Carrara - Tuscany Region, May 24, 2006.
--	---

	- Multidisciplinary European Endovascular Therapy - Congress in 2006, June 2006 Cannes. Oral Communication: "Carotid artery stenting with cerebral protection in patients at high risk for surgery: results from a single center" - Twenty-seventh National Congress of the Italian Society of Invasive Cardiology (GISE), Genoa 3-6 October 2006. Oral Communication: "An increased platelet-leukocytes activation at the culprit site of coronary artery occlusion in acute myocardial infarction: a pathogenic role for "no-reflow" phenomenon." - "Rapporteur" at the "The importance of monitoring blood pressure" 07/10/2006 Livorno. Organized by Chiesi. Title of the reports: "Hypertension and cardiovascular risk" and "Significance and monitoring of the PA." - "Lecturer" at "12th Advanced Training Course in Cardiology, Cardiac Surgery and Related Anesthesia" Preparatory COURSE organized by Scuola Superiore di Studi Universitari e di Perfezionamento S. Anna, Consiglio Nazionale delle Ricerche-Institute of Clinical Physiology, Heart International School, 8-17 November 2006, Ospedale "G. Pasquinucci" Massa. Title reports: "Evaluation and treatment of carotid artery stenosis" and "Management of low extremity peripheral arterial disease" - EuroPrevent Congress, 19-21 April 2007, Madrid, Spain. Title of oral presentation: "In-Hospital and long-term outcome after carotid artery stenting (CAS) with embolic protection devices in elderly patients" - "Lecturer" at "The hypertensive patient in the ambulatory of MMG and the center for the treatment of hypertension", organized by EUREKA srl, 26 May 2007 Lido di Camaiore. Title of report: "patients with hypertension and treatment of hypertension." - National Congress of Cardiology of the National Medical Hospital Cardiologists, Florence 3-5 June 2007. Title of oral presentation: "Safety and efficacy of protected carotid artery stenting in elderly patients: A single center experience." - Organizer, Speaker and "scientific secretary" to "The cardiovascular continuum: from risk factors to treatment," Institute of Clinical Physiology - Consiglio Nazionale delle Ricerche and ANMCO Tuscany, at Ospedale "G. Pasquinucci", 9 June 2007, Massa. - "Lecturer" at the "Cardiologie aperte - training in cardiovascular diagnosis" organized by ASL 4 "Chiavarese" 29 May - 23 June 2007 - Multidisciplinary European Endovascular Therapy - Congress in 2007, June 2007 Cannes. Oral communication: "In-Hospital and long-term outcome after carotid artery stenting (CAS) with embolic protecting devices in elderly patients" - Organizer, Speaker and "scientific secretary" to "The cardiovascular continuum: from risk factors to treatment," Institute of Clinical Physiology - Consiglio Nazionale delle Ricerche and ANMCO Tuscany, at Ospedale "G. Pasquinucci" Massa, 29 September 2007. - National Congress of the Italian Society of Invasive Cardiology (GISE), Genoa October 2007. Oral Communication: "Carotid artery stenting in elderly patients: A single center experience." Oral Communication: "The 64-ms cardiac CT layers and coronary angiography compared." - Organizer, Speaker and "scientific secretary" a "framework for diagnostic and therapeutic acute coronary syndromes of UA (NSTEMI), at the Palazzo Ducale, Massa, October 18, 2007. Title of report: "The hemorrhagic complications." - "Lecturer" at the "Cardiologie aperte - training in cardiovascular diagnosis" organized by ASL 4 "Chiavarese" 23 October - 29 November 2007. - "Lecturer" at "13th International Master in Cardiology, Cardiac Surgery, Cardiac Radiology and Anesthesia related. Preparatory Course organized by Scuola Superiore di Studi Universitari e di Perfezionamento S. Anna, Consiglio Nazionale delle Ricerche-Institute of Clinical Physiology, Heart International School, November 5 - 16, 2007 Ospedale "G. Pasquinucci" Massa. Presentations entitled "Evaluation and treatment of carotid artery stenosis" and "Management of low extremity peripheral arterial disease".
--	--

	- "Rapporteur" under "Training in Cardiovascular Interventional" organized by National Research Council - Institute of Clinical Physiology, at "G. Pasquinucci" Hospital, Massa, (26-27 November 2007). - "Speaker" at the course "The ischemic heart disease: from symptoms to diagnosis and treatment," Massa, Ospedale "G. Pasquinucci", 5 December 2007. Title of report "symptoms and coronary risk factors". - "Lecturer" in the project ADESSO organized by A.P.O.Ge.O. Florence, 2008. - "Lecturer" in the project ASTRI organized by A.P.O.Ge.O. Florence, 2008. - Organizer, Speaker and "Scientific Secretariat" SFERA Project (Selected Multidisciplinary Cases: interdisciplinary Approach), "G. Pasquinucci" Hospital, Massa, 12 and 19 September 2008. Presentation entitled: "The hypertensive patient is post MI". - "Chairman" and lecturer at "14th International Master in Cardiology, Cardiac Surgery, Cardiac Radiology and related Anesthesia - Preparatory Course organized by Scuola Superiore di Studi Universitari e di Perfezionamento S. Anna, Consiglio Nazionale delle Ricerche-Institute of Clinical Physiology, Heart International School November 2008. Ospedale "G. Pasquinucci" Massa. Presentations entitled: "Evaluation and treatment of carotid artery stenosis" and "Management of low extremity peripheral arterial disease". - Scientific Editorial Committee within the project called "The atherosclerosis" organized by MEDA Pharma, Milan. - "Organizer, Speaker and "Scientific Secretariat" under "Training in Cardiovascular Interventional, Fondazione" G. Monasterio "CNR - Regione Toscana 26-27 January 2008 Hospital "G. Pasquinucci" Massa. - "Rapporteur" at LA SETTIMANA "PER IL TUO CUORE", 14 February 2009, Sala della Resistenza, Palazzo della Provincia Massa. Title of presentation: "Prevention is better than cure". - "Rapporteur" at the "OXIDATIVE STRESS", Role in Cardiovascular diseases. Approach Smile "27 June 2009 Lido di Camaiore (LU). - Organizer, Speaker and "Scientific Secretariat" under "Hot Topics in Medicina Cardiovascolare", 1-2 October 2009 "G. Pasquinucci" Hospital, Massa. - "Discussant" at "La cardiologia che guarda al futuro" Workshop organized by Regionale ANMCO-SIC Toscana per la sessione "Linee guida in ambito cardiovascolare", Florence 10 November 2009. - Organizer, Speaker and "Scientific Secretariat" at the course "Non solo cuore", "G. Pasquinucci" Hospital, Massa 21 November 2009. - "Speaker" "STRATEGIE DI CONTROLLO DEL RISCHIO CARDIOVASCOLARE". "I fattori di rischio cardiovascolare" e "Il ruolo delle statine nella Sindrome Coronarica Acuta". 27-28 March 2010 Gera (AL). - "Organizer, Speaker and "Scientific Secretariat" at the course "In reati: le Linee Guida sul Trattamento delle NSTEMI-ACS", 7 May 2010, Ospedale del Cuore "G. Pasquinucci" Massa. - "Organizer, Speaker and "Scientific Secretariat" HOT TOPICS in Cardiovascular Medicine" 14-15 October 2010, Ospedale "G. Pasquinucci" Via Aurelia Sud - Loc. Montepope - Massa. - "Lecturer" at event: "CONTACT: Confronto e condivisione sul Territorio degli Approcci e dei Criteri di Trattamento delle dislipidemie", Fossino, 28 May 2011. - "Lecturer" in the project "D.E.", Delibera prescrittiva e implicazioni legali", Prato, 7 May 2011. - "Organizer" of the event "Training interventistica Cardiovascolare. "Coordinatore caso live", Massa, 30-31 May 2011. - "Speaker" at congress "Cardiopatia ischemica oggi. Continuità assistenziale dopo l'evento acuto", Venturina, 28 ottobre 2011.
