# Angelo **Di Carlo**

Personal

Nationality: Italian

About me

I am a passionate and curious individual with a deep love for research in economics and finance. Known for my meticulous attention to detail and commitment to excellence, I thrive in collaborative environments where ideas can be shared and developed. With strong analytical skills and a sociable nature, I am continuously seeking professional growth in this captivating field.

Areas of specialization

Economics · Financial Markets · Evolutionary Finance

EXPERIENCES

Oct. 2021 - Dec. 2021	**Internship** ISTAT · Roma, Italy 📍 During the internship, I conducted statistical analysis on national regulations and economic and financial programming documents. I also analyzed significant government operations benefiting public corporations and vice versa. Additionally, I applied SEC 2010 and MGDD 2019 rules and methodologies to assess the impact of these operations on public finance balances and ensure accurate recording in national accounts.
Sep. 2019 - Jul. 2020	**Erasmus** UNIVERSITY OF DURHAM · Durham, UK 📍

EDUCATION

2023-On going	**PhD** ECONOMICS · Scuola Superiore Sant'Anna 🏛
2020-2023	**Master's Degree** ECONOMICS · University of Pisa 🏛 Thesis title: *Exploring the Interaction between Market Selection and the Dunning-Kruger Effect in Economic Decision Making: An Evolutionary Analysis* | Thesis supervisor: Giachini Daniele | Final degree mark: 110/110 cum laude
2017-2020	**Bachelor's Degree** BANKING, FINANCE AND FINANCIAL MARKETS · University of Pisa 🏛 Thesis title: *TARGET2 funzionamento e implicazioni in caso di crisi del debito e uscita* | Thesis supervisor: Corsi Fulvio | Final degree mark: 110/110 cum laude
