

Protected when completed

Mr. Marco Bonizzato

Degrees

2017/3 - 2022/4	Post-doctorate, Postdoctoral Researcher, Université de Montréal Degree Status: Completed
2012/4 - 2017/2	Doctorate, PhD, Swiss Federal Institute of Technology Lausanne Degree Status: Completed
2009/2 - 2011/7	Master's Thesis, Master's Degree, Università degli studi di Pisa Degree Status: Completed
2005/10 - 2009/2	Bachelor's, Bachelor's Degree, Università degli studi di Pisa Degree Status: Completed

Recognitions

2023/5	2022 Turnbull-Tator Award in Spinal Cord Injury and Concussion Research Brain Canada
2022/4 - 2024/4	Journal of Neural Engineering: 2023, 2022 and 2021 Outstanding Reviewer Awards IOP Publishing: Journal of Neural Engineering
2018/5	Prix d'excellence en recherche Tomás Alfred Reader Université de Montréal

Employment

2023/9	Academic associate member NeuroAI group, Associate Academics, Mila - Québec AI institute
2022/5	Adjunct Professor Neurosciences, Medicine, Université de Montréal
2022/5	Assistant Professor Electrical Engineering, Institute of Biomedical Engineering, École Polytechnique de Montréal
2012/1 - 2012/4	Research Assistant Electrical Engineering, STI - School of Engineering, Swiss Federal Institute of Technology Lausanne
2011/8 - 2011/11	Training in Two-Photon Calcium Imaging in Behaving Animals and Sleeping Brain Stimulation on Humans. Supervisor: Prof. Giulio Tononi Psychiatry, Wisconsin Institute for Sleep and Consciousness, University of Wisconsin - Madison

2009/10 - 2009/12 Training in Bipedal Robotic Platforms Development and Control. Supervisor, Prof. Kenji Hashimoto
Mechanical Engineering, Division of Science and Engineering, Waseda University
