Course on EVAR 2012 Munster (Germany)

Course on TAVI Edwards Sapien 3 2014 Milan(Italy)

Course on TAVI Boston 2015 Cotignola(Italy)

Course on TAVI Medtronic Evolute R 2016 Milan(Italy)

Professional fields of interest:

Coronary Interventions (> 900 PTCA/y and >1200 coronary angiography /y)

Aortic Interventions (>60 TAVI /y, > 40 EVAR/y)

Certified Implanters for TAVR:

Sapien 3

Evolute R

Portico

MyVal

Hydra

Peripheral Interventions (> 400 angiography/ y and >300 PCI /y (carotides, iliaco-femoral, infrapopliteal, renal)

Cardiological Emergencies (primary PTCA- ELCA assisted, Temporary cardiac PM, IABP

Skills:

All Peripheral Interventions and New Technologies Applications:

Intravascular Intervention for Critical Limb Ischemia and Diabetic Foot Salvage

Excimer Laser Ablation for AMI during Primary Angioplasty and for Peripheral Intervention (ISR and Occlusion)

Devices use:

Excimer Laser Catheter (Spectranetics)

Crosser CTO Device (BARD)

OCELOT CTO Device (Avnger)

Turbo Hawk Atherectomy Device (Covidien)

Pioneer Re-entry System (Medtronic)

Out-Back Re-entry system (Cordis)

All Aortic Intervention for Aneurism or Dissection

All Carotid Intervention

Renal Ablation Denervation

All Cardiac and Coronary Intervention (Coronary Angiography, PTCA, Aortic Valve Implantation, Temporary PM implantation, IABP implantation)

ACLS -AHA Certificate 2020

Proctoring Activity:

Proctor for SMT Hydra TAVR procedure

Proctor for EV3 for Peripheral Intervention
