

Curriculum Vitae

Personal information

Surname(s) / First name

Mirizzi Gianluca

Address

Gabriele Monasterio Foundation, Interventional Electrophysiology Division, Via Moruzzi, 1 56124 Pisa, Italy

E-mail

Nationality

Date of birth

Gender

Occupational field

Interventional Cardiac Electrophysiology Consultant, Gabriele Monasterio Foundation, Division of Interventional Electrophysiology

Work and Research experience

Dates

January 2020-ongoing

Occupation or position held

Clinical and Interventional Cardiac Electrophysiology Consultant, Fondazione Toscana Gabriele Monasterio, Pisa, Italy

Main activities and responsibilities

Clinical and Interventional Cardiac Electrophysiology; diagnosis, risk stratification and treatment of heart rhythm disorders in pediatric, grown-up congenital and adult population

Education and training

Dates

September 2021-March 2022

Title of qualification awarded

European Heart Rhythm Association (EHRA) Invasive Cardiac Electrophysiology Certification – ECES Level 2

Name and type of organisation providing education and training

European Heart Rhythm Association

Dates

July 2016 to March 2019

Occupation or position held

Fellow in Interventional Electrophysiology

Main activities and responsibilities

Clinical activity involving diagnosis and treatment, both interventional and non-interventional, of cardiac arrhythmias, both tachyarrhythmias (both supraventricular and ventricular), and bradiarrhythmias

Supervisor

Dr. Marcello Piacenti

Dates

June 2019-September 2019

Occupation or position held

EHRA Observational Training Fellow, Interventional Electrophysiology, Leiden University Medical Center

Main activities and responsibilities

Observational Training Fellow; main topics ventricular tachycardia ablation, atrial and ventricular arrhythmias in congenital heart disease

Supervisor	Prof. Katja Zeppenfeld
Dates	October 2016 – March 2020
Title of qualification awarded	PhD Candidate in Translational Medicine
Principal subjects/occupational skills covered	Research project evaluating the modulation of central chemoreception as a therapeutic tool in systolic heart failure patients
Name and type of organisation providing education and training	Scuola Superiore di Studi Universitari e Perfezionamento Sant'Anna, Istituto di Scienze della Vita, Settore di Scienze Mediche
Dates	July 2012 - June 2017
Title of qualification awarded	Resident in Cardiovascular Medicine - evaluation 70/70 cum laude
Principal subjects/occupational skills covered	Clinical training in a broad spectrum of cardiovascular diagnostic techniques, including stress tests, echocardiography, nuclear medicine, cardiac magnetic resonance. Training and active involvement in arrhythmias management including patients care and management, cardiac pacing including cardiac defibrillators and cardiac resynchronization therapy, electrophysiological non invasive and invasive testing of brady- and tachyarrhythmias, catheter ablation of paroxysmal supraventricular arrhythmias, atrial fibrillation and ventricular ectopy/ventricular tachycardias.
Name and type of organisation providing education and training	University of Florence, Florence
Dates	November 2009 to present
Occupation or position held	Research fellow at the Gabriele Monasterio Foundation, Pisa, Italy
Main activities and responsibilities	Research activity in the field of neurohormonal activation, reflex systems and autonomic modulation in heart failure
Supervisor	Prof. Michele Emdin
Dates	November 2009
Occupation or position held	Visiting student at National Health Institute, Cardiovascular Research Center, Washington, DC; Johns Hopkins University, Heart and Vascular Institute, Baltimore, MD; Mount Sinai Hospital, New York, NY
Main activities and responsibilities	Observer of clinical and research activities
Supervisors	Prof. Michael Sack, Prof. Nazareno Paolocci, Prof. Roger J. Hajjar
Dates	November 2009 to present
Occupation or position held	Research fellow at the Gabriele Monasterio Foundation, Pisa, Italy
Main activities and responsibilities	Research activity in the field of neurohormonal activation, reflex systems and autonomic modulation in heart failure
Supervisor	Prof. Michele Emdin
Dates	November 2009

Occupation or position held	Visiting student at National Health Institute, Cardiovascular Research Center, Washington, DC; Johns Hopkins University, Heart and Vascular Institute, Baltimore, MD; Mount Sinai Hospital, New York, NY																									
Dates	October 2012																									
Title of qualification awarded	Diploma in Medical Sciences at the Scuola Superiore Sant'Anna, 100/100 cum laude Thesis entitled "Applicazione e sviluppo di un modello statistico di predizione della sensibilità chemocettiva all'ipossia e all'iperkapnia in soggetti affetti da scompenso cardiaco cronico", supervisors Prof. Michele Emdin, Prof. Claudio Passino, Prof. Fabio A. Recchia																									
Principal subjects/occupational skills covered	Integrative advanced courses in biology, physiology, pathophysiology, medicine and surgery; workshops, journal clubs, clinical stages, foreign language (English, Spanish) lectures																									
Name and type of organisation providing education and training	Scuola Superiore Sant'Anna, Pisa, Italy																									
Dates	July, 20 th 2011																									
Title of qualification awarded	Medicine and Surgery Degree at the School of Medicine of the University of Pisa, 110/110 cum laude and publication worthiness of the thesis Thesis entitled "Correlati clinici e prognostici del baroriflesso nello scompenso cardiaco cronico", supervisor Prof. Michele Emdin																									
Principal subjects/occupational skills covered	Knowledge of basic sciences, physiology, pathophysiology, medicine and surgery; clinical training																									
Name and type of organisation providing education and training	University of Pisa, Pisa																									
Dates	2000-2005																									
Title of qualification awarded	High School Diploma, evaluation 100/100 cum laude																									
Principal subjects/occupational skills covered	Mathematics, Physics, Chemistry, Biology, Italian Literature, English Language and Literature, History, Philosophy, Geography, Art																									
Name and type of organisation providing education and training	Scientific High School "E. Majorana", Putignano (BA), Italy
