

Alberto Ranieri De Caterina

CURRICULUM VITAE

Date of preparation	September 2020
Name	Alberto Ranieri
Surname	De Caterina
Resident address	
Current work address	Ospedale del Cuore Fondazione Toscana “G.Monasterio” Via Aurelia Sud Loc. Montepepe Massa Italy
City of birth	Pisa
Birth date	August, 1st 1981
Marital status	Divorced

Education

2000	High School in Classical Studies, Lucca, Italy Final graduation marks: 100/100
2000-2007	Sant'Anna Advanced Postgraduate University School Pisa, Italy
2003 (August-September)	Internship at Cellular and Molecular Biology Laboratories University of Texas and Texas Heart Institute, Texas Medical Center, Houston, TX, USA
2004-2006	Clinical and Research Internship at the Institute of Clinical Physiology, Pisa, Italy
2005	Basic Life Support and Defibrillation Healthcare Provider Course Final marks 98/100
2006	Basic Life Support and Defibrillation Instructor Course Final marks: 98/100
2006:	Medical Degree School of Medicine University of Pisa, Italy Final graduation marks 110/110 cum laude
2007	Medical Degree Sant'Anna Advanced Postgraduate University School Pisa, Italy
2007-2011	Residency in Cardiology, Institute of Cardiology, Policlinic "A. Gemelli" Catholic University of the Sacred Heart, Rome, Italy Final marks 50/50
February-November 2011	International Clinical and Research Fellowship Oxford Heart Center, John Radcliffe Hospital, Oxford, UK

Specific skills

Proficient in Echocardiography

Experience in the assessment of angiogram analysis, such as the evaluation of TIMI flow, TIMI frame count, Myocardial Blush Grade, Quantitative Blush Evaluator (QuBE) software use, angiographic Jeopardy Score and 2d and 3d-QCA coronary lesion assessment

By May 2010 he participated to more than 3000 coronary angiograms, using both radial and femoral access (of which more than 2000 as first operator), more than 600 percutaneous coronary interventions, including IVUS, OCT or FFR-guided procedures, PFO closures, aortic valve valvuloplasty and TAVI procedures.

Mother language

Italian

Spoken languages

Advanced level: English, French
Basic level: German, Spanish

Scientific career

Speaker at several National and International Medical Congresses, including the Congresses of Italian Society of Cardiology, Italian Society of Interventional Cardiology, European Society of Cardiology and European Society of Interventional Cardiology.

Grant and prizes

1. Winner of 2011 Grant of Italian Society of Cardiology for supporting a clinical stage to an Italian cardiology Center
2. Winner of the first prize as “Best Cases from young Interventional Cardiologists”, XXXIII Congress of Italian Society of Interventional Cardiology, GISE, October 2012.
3. Winner of a 210000 Euros grant, Fondazione Lilly 2013 “La ricerca in Italia: un'idea per il Futuro” for the research project “Remote Ischemic conditioning to protect from ischemia-reperfusion injury in ST-elevation myocardial infarction”
