

CV Grazia Chiellini

Employment and Education

2019- Full Professor in Biochemistry, Dept. of Pathology, University of Pisa, Italy.
2014-2019 Associate Professor in Biochemistry, Dept. of Pathology, University of Pisa, Italy.
2004-2019: Visiting Scientist, Dept. of Biochemistry, UW_Madison, Madison, WI, USA
1999-2014: Assistant Professor of Biochemistry, School of Medicine, University of Pisa, Italy.
1997-1999: Post-doc, Dept. of Pharm. Chem, UCSF, San Francisco, CA, USA.
1995-1997: Post-doc in Biochemistry, School of Pharmacy, University of Pisa, Italy.
1995: PhD in Medicinal Chemistry, School of Pharmacy, University of Pisa, Italy.
1989-1991: Research fellowship, School of Pharmacy, University of Pisa, Italy.
1988: Pharm.D magna cum laude. University of Pisa, Italy

Grants and Awards

- MIUR, PRIN 2005: “Genomic and non genomic actions of new TH analogues and TH metabolites on the cardiovascular system and the cell proliferation” - Principal Investigator.
- MIUR, PRIN 2010: “T1AM and selective thyromimetics: novel aspects of thyroid signaling” - Investigator.
- University of Pisa Research Grant (PRA_2015_0060). “3-iodothyronamine and new synthetic analogs: a new perspective for the treatment of cognitive diseases” - Principal Investigator.
- University of Pisa Research Grant (PRA_2017_55) “TAAR1 agonists: new tools to investigate the relationship between obesity and Alzheimer disease”. - Principal Investigator
- PFIZER Research Grant RFP 2021- 2023: “Development of Novel Multifunctional Therapeutics for Transthyretin Amyloidosis and Alzheimer’s Disease”, Pfizer Tracking Number 67562227 – Co-Principal Investigator

Sinossi Globale Pubblicazioni

- 97 articoli su riviste internazionali referate e elencate nei database ISI e/o Scopus
- 3118 citazioni totali nel database Scopus
- h-index: 28
- 15 brevetti
- 1 capitolo di libro

Pisa, 01/12/2022
