

PERSONAL INFORMATION

Andrea Parziale

WORK EXPERIENCE

04/2022–Present

Marie Skłodowska-Curie Fellow

METRO, LAW FACULTY, MAASTRICHT UNIVERSITY (The Netherlands)

Implementing the EU-funded, competitively awarded, MSCA Individual Fellowship “Full Compensation – Rationalising Full Compensation of Non-Pecuniary Damages to Reconcile Equal Treatment and Personalisation” (EU Ref 101028723) at the Institute for Transnational Legal Research.

09/2020–Present

Adjunct Professor

DEPARTMENT OF BUSINESS AND MANAGEMENT, LUISS GUIDO CARLI UNIVERSITY, Rome (Italy)

Teaching the “Markets, regulations and law” course for academic years 2020/2021, 2021/2022 and 2022/2023.

- Lecturing in English to international graduate management students. For academic year 2020/2021, these included refugee students within the ‘Mediterraneo’ project in partnership with the University of Petra (Jordan).
- Providing student tuition.
- Assessing and grading students.
- Supervising masters’ theses.

03/2019–Present

Scientific fellow

LIDER LAB, DIRPOLIS INSTITUTE, SANT’ANNA SCHOOL OF ADVANCED STUDIES, Pisa (Italy)

Collaborating with the LIDER Lab research lab in the following research areas:

- Health law.
- ETHOS - EThics & law with H and fOr research.
- Law, science and technology.
- Personal injury law.

03/2014–Present

Reviewer – associate staff

OPINIO JURIS IN COMPARATIONE, Pisa (Italy)

Working with a team of reviewers for an open access international comparative law journal.

- Evaluating/reviewing submissions.
- Editing scientific articles.

01/2021–03/2022

Post Doc Researcher

INSTITUTE FOR BIOMEDICINE, EURAC RESEARCH, Bolzano / Bozen (Italy)

Worked as a legal expert in biomedical research for the CHRIS-2D Project population study, within the Ethical, Legal and Social Implications (ELSI) Group of the Institute for Biomedicine.

- Conducted research on legal implications of data sharing for biomedical research.
- Supported building the legal and ethical framework and the governance system.

09/2020–12/2020 Postdoctoral Researcher

LIDER LAB, DIRPOLIS INSTITUTE, SANT'ANNA SCHOOL OF ADVANCED STUDIES, Pisa (Italy)

Conducted research within the Strategic Project of the Institute of Law, Politics and Development (Dirpolis) "Regulation, science and technology for health and innovation: mapping grey areas to enable research and innovation in an inclusive society". Used the project *OPT-HepaC – Optimisation of diagnosis and care Pathways for chronic HCV in Tuscany* as a testbed.

05/2019–05/2020 EU Antitrust / Regulatory Lawyer

DE MATTEIS LAW, Rome (Italy)

Worked within a boutique law firm advising on EU competition law and regulatory matters.

10/2018–04/2019 Associate

WILLKIE FARR & GALLAGHER, Milan (Italy)

Worked with a team of associates and partners within an international full-service law firm.

- Drafted legal advice for Italian and international corporations on personal injury litigation, pharmaceutical regulation, corporate governance and real estate matters.

09/2018–12/2018 Teaching assistant

DEPARTMENT OF BUSINESS AND MANAGEMENT, LUISS GUIDO CARLI UNIVERSITY, Rome (Italy)

Assisted the Adjunct Professor as instructor of the 'Markets, regulations and law' course within the LUISS Department of Business and Management.

- Delivered lessons on competition law and pharmaceutical regulation for a class of about 140 international graduate management students.
- Provided student tuition.
- Helped assess and grade students.

11/2017–04/2018 Intern

EUROPEAN OFFICE FOR INVESTMENT FOR HEALTH AND DEVELOPMENT, WORLD HEALTH ORGANIZATION, Venice (Italy)

Interned under the supervision of the Head of Office.

- Drafted a report on the impact of trade agreements on States' policy space to regulate and invest for public health and sustainable development, particularly on the impact of intellectual property rights protection on global access to medicines.
- Managed official social media accounts of the Head of Office.

10/2016–10/2019 Teaching assistant (*culture della materia*)

PRIVATE LAW DEPARTMENT, UNIVERSITY OF PISA, Pisa (Italy)

Assisted the Professor within the Law Department at the "Private Law II" course (Italian contract and tort law) for classes of about 100 undergraduate law students.

- Delivered lectures on private law foundations.
- Provided tuition to students.

- Assessed and graded students.

10/2015–03/2019 Research assistant

LIDER LAB, SANT'ANNA SCHOOL OF ADVANCED STUDIES, Pisa (Italy)

During my doctoral program, worked with an interdisciplinary team with a focus on law and health, law and technology, civil liability and regulation, comparative law, and competition law.

- Publishing peer-reviewed articles (see below **Publications**).
- Gave lectures to undergraduate law students and legal professionals.
- Gave presentations at conferences at academic institutions in Italy, France and Ireland.
- Worked within national and EU-funded research projects.
- Provided advice to SMEs and NGOs.

10/2015–04/2017 Trainee lawyer

Alberto Giovannelli (Bar association of Pisa), Pisa (Italy)

Interned at a local law firm in preparation for the bar exam.

- Drafted legal advice on private law matters (mainly personal injury litigation).

EDUCATION

10/2015–03/2019 PhD in Law

110/110 cum laude

SANT'ANNA SCHOOL OF ADVANCED STUDIES, Pisa (Italy)

Three-year doctoral program. Thesis on civil liability and regulation in off label uses of medicines in the EU, France and Italy.

05/2018–07/2019 Visiting researcher

INSTITUT DE RECHERCHE JURIDIQUE DE LA SORBONNE, UNIVERSITE PARIS I PANTHEON SORBONNE, Paris (France)

Within my PhD program, research period to study French compensation schemes for victims of large-scale health accidents / scandals.

07/2017 Visiting researcher

COLLEGIO CARLO ALBERTO (Turin, Italy),

Attendance to summer school Perspectives on Regulatory Cooperation.

12/2016–01/2017 Visiting researcher

ÉCOLE NORMALE SUPERIEURE, Paris (France)

Within my PhD program, research period to study evolution of French health regulations and medical / product / State liability in health domain.

10/2010–12/2016 Honours degree in Legal sciences

100/100 cum laude

SANT'ANNA SCHOOL OF ADVANCED STUDIES, Pisa (Italy)

Five-year university program in Legal Sciences accessed to after succeeding national competition (acceptance rate: 1/20). Final thesis on the EU clinical trial regulation.

03/2013–04/2013 Visiting student

ÉCOLE NORMALE SUPERIEURE, Paris (France)

Within my honours degree program at Sant'Anna School of Advanced Studies (SSSA), research period to study French case law and legislation on wrongful life actions, for my annual thesis discussed with faculty back at SSSA.

09/2010–07/2015

Law Degree

110/110 cum laude

UNIVERSITY OF PISA, Pisa (Italy)

Five-year university program in Law. Master's thesis on the grey areas of the EU pharmaceutical regulation.

08/2012

Visiting student

BEIJING UNIVERSITY, Beijing (China)

Attended an international summer school on Chinese law in the global context, organised by the London School of Economics and Beijing University.

PERSONAL SKILLS

Mother tongue

Italian

Foreign languages

English C2 (Maastricht University Placement Test, 2022)

French C1 (DALF, 2017)

Dutch B1 minus (Maastricht University Placement Test, 2022)

Chinese A2 (HSK2, 2014)

Organisational / managerial skills

Excellent teamwork skills gained through my experiences as research and teaching positions at top-tier universities and as an associate in international law firms.

Excellent presentation skills developed thanks to my experiences as speaker at various conferences and seminars across the EU.

Job-related skills

PhD and master's in Law • Health Law • ELSI • Data Protection in Biomedical Research • EU Pharmaceutical Regulation • Global Health • Public Health • Bioethics • Law and Technology • Legal Research • Academic Writing • Lecturing • Tutoring • Problem-Based Learning (PBL) • Grant acquisition.

Digital skills

SELF-ASSESSMENT

Information processing	Communication	Content creation	Safety	Problem-solving
Proficient user	Proficient user	Independent user	Proficient user	Proficient user

Digital skills - Self-assessment grid

- Presentation (proficient user)
- Word processor (proficient user)
- Excel (basic user)

Other skills

Data Protection Officer (DPO) certificate ([IDCERT](#), 2023).

Excellent diplomacy skills gained thanks to my experience at WHO.

Driving licence

B

ADDITIONAL INFORMATION

SEMINARS AND CONFERENCES

Off-label uses of medicines: civil liability and no-fault under conditions of scientific uncertainty, presentation given within the European Doctorate of Law & Economics (EDLE) at Erasmus University Rotterdam (Rotterdam, 17 January 2023).

Ethical and Legal Issues in Accessing Biobank Data to develop AI tools, presentation given at the conference *Designing Human Rights Attentive AI – An Interdisciplinary Perspective* organized by the EU-funded project LeADS (GA ID: 956562) and the LIDER-Lab of Sant'Anna School of Advanced Studies (Krakow, 21 September 2022).

Legal complexities in making data available for research, presentation given within the panel *The CHRIS Study: 10 years of dynamic consent as part of a participant centric approach to the governance of samples & data* at the World Congress of Bioethics (Basel, 22 July 2022)

Covid-19 off-label uses of medicines: the role of civil liability, presentation given at the *Pandemics – Liability and Insurance* organised by the European Centre of Tort and Insurance Law (ECTIL) (Vienna, 23 June 2022)

Ethical legal issues for patients: frontiers of biomedical research, presentation given within the *Transitional (Legal) Times for R&D and R&I Sectors* panel at the Computers, Privacy and Data Protection conference CPDP 2022 (Bruxelles, 25 May 2022)

Research on Health and Urban Lighting Between Open Data and Data Protection, online presentation given at ENLIGHTENme project conference (17 December 2021)

Assisted Reproduction: The ECHR's cases, lesson given within "Biolaw and biomedicine regulation" course organized by European Public Law Organisation (EPLO, Athens) (26 November 2021)

Appropriate safeguards under Article 89 GDPR in research biobanks, online presentation given at Biodata 2021 conference organized by BBMRI (26 November 2021)

Sperimentazioni cliniche e protezione dei dati personali: il nuovo regolamento Clinical Trials Regulation, webinar delivered within the webinar series on Health Law, Privacy, and Family Rights organised by Sant'Anna School of Advanced Studies and Associazione Libera Università Nuorese (AILUN) (12 November 2021).

Safeguards & responsibilities in biobank, databank and genetic research, online presentation given with Deborah Mascalzoni and Ciara Staunton at GenoPri 2021 online conference organized by Yale University (22 September 2021)

Una panoramica delle novità introdotte dal Clinical Trial Regulation, Parte I e II, lessons within the course "Orientarsi tra GDPR e CTR: protezione dei dati, sperimentazioni cliniche a scopo di ricerca scientifica. Supporto giuridico alla ricerca, sviluppo e innovazione" held at Sant'Anna School of Advanced Studies (Pisa, 8 and 15 September 2021)

Orphan drugs: legal rules and economics, lesson within the "Pharmaceutical markets and regulation" LUISS-Italian Medicines Agency joint course (21 April 2021, Rome)

How Medical Device Product Liability is Poised to Develop with The Rise of Digital Health and AI, presentation given at webinar "Medical Device Regulation and Digital Health" at Sant'Anna School of Advanced Studies (15 February 2021, Pisa).

Le responsabilità civili nell'uso e nella gestione dei fablab, webinar delivered within the online training program of Associazione Libera Università Nuorese (AILUN) in collaboration with Sant'Anna School of Advanced Studies (12 November 2020).

The new Medical Device Regulation: Compliance Pills, presentation given at webinar "The EU Reg. 2017/745 on Medical Devices (MDR): Challenges and Opportunities" at Sant'Anna School of Advanced Studies (10 November 2020, Pisa).

Orphan drugs' prices: regulatory and competition law implications, presentation given within the course "Markets, regulation and law" at LUISS Guido Carli University – Department of Business and Management (14 November 2018, Rome).

Politiche per l'accesso ai farmaci in Italia, presentation given within the "Seminari scuola di specializzazione igiene e medicina preventiva" at the University of Padua (13 April 2018, Padua).

Rethinking Full Compensation: Cognitive Sciences Insights on Personal Injury Damages, presentation given at Annual Conference of Irish Association of Law Teachers (25 November 2017, Dunboynee).

IP / antitrust / product liability selected communications, given at international workshop "Cultures of taking pills: cultural attitudes and legal-ethical implications of assuming medicines" (9 November 2017, Sant'Anna School of Advances Studies).

The role of product liability on the intersections between food and drugs, presentation given at the international workshop “Eating and assuming: technical, legal and ethical borderlines between food and drugs” (19 September 2017, Sant’Anna School of Advanced Studies).

3D Printing: Challenges to Product Liability Law, presentation given at Doctoral Workshop “Issues in Law and Technology” within the Internet festival (12 September 2017, Pisa).

Tecnologia e regolazione farmaceutica, presentation given at the “Tecnica e diritto pubblico” doctoral workshop (29 May 2017, Sant’Anna School of Advanced Studies).

Defective Pharmaceutical Product Liability, lesson given within the course “Case law and legislation developments in personal injury law: training in critical analysis of case law” (8 May 2017, LIDER Lab, Pisa).

Orphan drugs and competition law, presentation given at STALS – Sant’Anna Legal Studies Doctoral workshop (19 April 2017, Sant’Anna School of Advanced Studies).

The future of orphan drugs, presentation given at European University Institute – Sant’Anna School of Advanced Studies joint workshop (23 September 2016, Sant’Anna School of Advanced Studies).

Neurosciences and Personal Injury Damages, presentation given at multiplier event of Areyoufine? Erasmus+ research project “Personal injury damages compensation and biomechanics” (12 July 2016, Sant’Anna School of Advanced Studies).

Il costo delle prestazioni per la procreazione medicalmente assistita, introductory remarks to a seminar within the course “A confronto diretto con la giurisprudenza” (18 May 2016, Sant’Anna School of Advanced Studies).

Projects

2022-2023: FullCompensation – Rationalising Full Compensation of Non-Pecuniary Damages to Reconcile Equal Treatment and Personalisation, Marie Curie Individual Fellowship (GA 101028723).

2021-Present: CG – Research Towards Improving the Governance of Health Data in Cyberspace (Nordforsk fund).

2021-Present: ENLIGHTENme – Innovative policies for improving citizens’ health and wellbeing addressing indoor and outdoor lighting (Horizon 2020 GA No 945238).

2021-2022: CHRIS-2D - A Dynamic Data infrastructure for biomedical research and innovation in South Tyrol (EFRE 2020)

2020: OPT-HepaC - Optimisation of diagnosis and care Pathways for chronic HCV in Tuscany (Bando Ricerca Salute Regione Toscana 2018).

2019-Present: ETHOS - EThics & law with and fOr research (LIDER Lab, Sant’Anna School of Advanced Studies).

2015-Present: Osservatorio permanente sul danno alla persona, funded by IVAS.

2018: Accesso ai farmaci: il caso e ruolo dell'Italia (Oxfam Italia and Action – Global Health Advocacy Partnership).

2016: Stampa 3D, Fab Labs e la nuova “rivoluzione industriale” Profili di proprietà intellettuale e responsabilità per danno da prodotti difettosi (partnership between Associazione per l’Istituzione della Libera Università Nuorese (AILUN) and Sant’Anna School of Advanced Studies).

2015-2017: AREYOUFINE?: Training in assessment of personal injury based on biomechanical analysis to improve the sustainability and efficacy of the health care system. Strategic Partnerships in the field of education, training and youth – Erasmus Plus 2015, European Commission H2020. Project Coordinator: Instituto de Biomecánica de Valencia (IBV).

2015-2016: Droit – Droni in Toscana. Partnership between Istituto di Teoria e Tecniche dell’Informazione Giuridica (ITTIG), Florence and Dirpolis Institute of Sant’Anna School of Advanced Studies, Pisa. Funded by Fondazione Ente Cassa di Risparmio di Firenze.
