### ABOUT ME

---

23-year-old aspiring behavioral researcher with a focus on public policy. Passionate about applying evidence-based methods, behavioral insights, and user-centered design to explore and enhance policy solutions and public management. Skilled in conducting research at the intersection of behavioral science and public policy to inform innovative, effective, and impactful policy development

### WORK EXPERIENCE

---

#### **Fondazione Monasterio** – Pisa, Italy

City: Pisa | Country: Italy

##### **Research Intern**

[ 20/03/2025 – Current ]

Contributing to the clinical governance of a leading research hospital by optimizing Electronic Health Records through behavioral science applications and user-centered design. Focused on enhancing data-driven decision-making, improving workflow efficiency, and fostering innovation in digital health solutions

#### **Tuscany Delegation to EU Institutions** – Brussels, Belgium

City: Brussels | Country: Belgium

##### **Intern**

[ 01/04/2025 – 01/06/2025 ]

Supporting the Tuscany Region Brussels Liaison Office in advocating for regional interests, engaging with European institutions, and contributing to policy analysis and strategic initiatives.

#### **Economic Development Ministry** – Rome, Italy

City: Rome | Country: Italy

##### **Intern**

[ 01/03/2023 – 01/06/2023 ]

Internship at the Task Force for the implementation of the Italian National Recovery & Resilience Plan (Unità di Missione PNRR).

Working close to the General Director Paolo Casalino, with a specific focus on the REPower-EU. Further supporting the GD on the implementation of Quirinale Treaty provisions.

#### **Sant'Anna School of Superior Studies** – Pisa, Italy

City: Pisa | Country: Italy

##### **University research assistant**

[ 01/10/2024 – Current ]

Winner of a collaboration call issued by Professor David Natali. Working on Digitalization in National and European health and public sector policies.

In addition, I am currently assisting Professor Bellè in research on choice architecture in healthcare. Conducting discrete choice experiments with particular reference to user involvement in electronic health records design and functionalities

#### **Sant'Anna School of Superior Studies – Pisa, Italy**

City: Pisa | Country: Italy | Business or sector: Public administration and defence; compulsory social security

##### **University research assistant**

[ 01/03/2023 – 01/09/2023 ]

Winner of a collaboration call issued by Professor David Natali for three research projects:

- Italian National Recovery & Resilience Plan governance;
- Digitalization in national and European health policies;
- Advisors in policy-making.

#### **Percorsi di Secondo Welfare – Milano, Italy**

City: Milano | Country: Italy

##### **Research intern**

[ 01/04/2022 – 01/12/2022 ]

Percorsi di Secondo Welfare is a research centre based in Milan which focuses on private and integrative forms of welfare.

My main task was supporting municipalities in the design and implementation of European projects, with a specific focus on PNRR.

#### **Junior Enterprise for Business & Engineering (JEBE) – Pisa, Italy**

City: Pisa | Country: Italy

##### **Public affairs specialist**

[ 01/03/2023 – 30/09/2025 ]

I represented JEBE in the relationships with public institutions. Up to this appointment, I held the position of Head of Commercial Area and International Manager.
