

Curriculum Vitae

ANEES AL JABRI

Statement of Education and Qualifications

Name (First, Middle, Last)

Anees Al Jabri

Academic Qualification(s)

MD.

Cardiologist.

Interventional Cardiologist.

University Master I level in adult heart disease.

Current Position

- Interventional Cardiologist- interventional Cardiology Department- Heart Hospital- Massa;
Fondazione Monasterio CNR, Massa & Pisa

-Clinical & Scientific Research-Cardiovascular Departemente , Fondazione Monasterio CNR, Massa
& Pisa

Other

- Member of the European Society of Cardiology (ESC),
- Member of Italian society of cardiology.
- Member of Italian society of invasive cardiology.
- Contract teacher, Scuola Superiore Sant'Anna, Pisa (University Master in Interventional Cardiology) 2019

Telephone Number

+39

Email

aljabri@ftgm.it

Command of languages:

-Italian: fluent, oral and written.

-English: fluent, oral and written.

-Arabic : fluent, oral and written.

Nationality:

Italian

Education and Training

Name and Location of Institution	Degree and Year Awarded	Area of Study
Pisa University, Italy Faculty of Medicine and Surgery	acknowledgement of my Bachelor's degree in Medicine and Surgery 2004	Medicine & Surgery
Sant'Anna University, Pisa, Italy	University Master I in Adult cardiology 2000-2001	Cardiology
Institute of Clinical Physiology- National Research Council (CNR)- Pasquinucci Hospital Massa, Italy	Training in cath lab 2002-2006	Interventional Cardiology
Pisa University, Italy Faculty of Medicine and Surgery	Specialization diploma, Degree of Cardiologist, 2009	Cardiology
San Martino Hospital, Genoa, Italy	Course certificate, 2010-2011 TAVI program: the Edward Sapien system	Interventional Cardiology
Heart Hospital-FTGM Massa	Course certif., 2016 TAVI program: the CoreValve system	Interventional Cardiology

Professional Experience

Position/Title	Name and Location of Institution (City, State or Province and Country)	Dates
Previous Interventional Cardiologist;	Cath labe, cardiology department, La Spezia Italy	Nov 2009 - Aug 2017
Previous Researcher	Clinical Physiology Institute (CNR), Pisa and Massa, Italy	2002- 2006

Main competences

Setting	Type	Time course
Clinical Cardiology	Echocardiography,	1997 - ongoing
Interventional Cardiology	Coronary Percutaneous Interventions	2001 - ongoing
Interventional Cardiology	Transcatheter aortic valve implantations (Corevalve & Edward Sapien systems)	2010 - ongoing

During My work I was involved in:

Non-structural heart Disease:

- Treating and managing Ischemic heart disease (mainly) Stable angina, instable Angina, NSTEMI and Acute Myocardial Infarction performing functional valuation of stable ischemic heart disease through FFR and treating by PCI and PPCI with frequent use of OCT, IVUS
- Working and night Duty in the Intensive Coronary Care Unite and post cardiac surgery care department .
- Outpatients clinic for cardiovascular disease and structural heart disease as a part of heart team (PreTAVI clinic)

Structural Heart Disease:

- Treating and managing valvulare heart Disease mainly aortic valve stenosis with TAVI (Transcatheter Aortic Valve Implantation, first operator in more then 120 caseses) .

Participate in:

- percutaneous mitral valve reparation procedures (Mitral clip, Pascal and Cardioband).
- Mitral valve in valve .
- left atrial appendage closure, PFO.

A summary of types of medical emergencies treated:

- Treating Acute myocardial Infarction with primary percutaneous Intervention (stent).
- Treatment of Cardiogenic Shock with invasive procedures: primary PCI, left ventricular assist devices (Impella), intra-aortic balloon pump, emergency balloon valvuloplasty in patient with aortic valve disease.
- Treatment of Acute Pulmonary Edema.
- Treatment of Acute Cardiac Arrhythmia.

- Emergency pericardiocentesis in acute cardiac tamponad
- Management of acute peripheral vascular complication during TAVI
- Basic Life Support and De-fibrillation Health care Provider Course.

Numbers of procedures performed:

- During my work I performed around 8890 invasive cardiac procedures as follows:
 - Coronary angiography and percutaneous coronary intervention and (PCI) through radial and femoral artery (mainly radial).
 - Primary PCI (prevention 24/7).
 - Left ventricular assist devices (Impella), intra-aortic balloon pump.
 - Rotational atherectomy (Rotablator).
 - Intravascular coronary Lithotripsy (IVL) (coronary and peripheral).
 - Intravascular ultrasound (IVUS).
 - Fractional flow reserve (FFR) (previous consultant for St.Jude Medical).
 - Instant wave-free ratio (iFR).
 - Optical coherence tomography (OCT).
 - Percutaneous aortic valve implantation (TAVI), Valve in vale aortico with Sapien and Corevalve (Certificate), participate in more them 350 procedure, first operator in 120 cases.

Non-invasive techniques:

- ECG 12 leads
- Ergometry,
- Ecocardiography,
- Holter ECG
- Coronary care unit
- Medical therapy of transitory myocardial ischemia,
- Preprocedural CT scan evaluation of Percutaneous Transcatheter Aortic and mitral Valve Replacement

RELEVANT & IMPORTANT COURSES ATTENDED WITH DATE AND YEAR

1. PCR London Valves 2019 17-19 20 Nov 2019.
2. EuroPCR 2019, Paris- France 21- 24 May 2019
3. PCR London Valves 2018 2018.
4. EuroPCR 2018, Paris- France 22- 25 May 2018
5. 38th Congresso Nazionale Società Italiana di Invasive Cardiology GISE, Milano 10-13 Ottobre 2017 (faculty)
6. PCR London Valves 2017- 24-26 September 2017 .
7. EuroPCR 2019, Paris- France 16 -19 May 2017
8. TCT (Transcatheter Cardiovascular Therapeutics) 2016 29/10 - 2/11/2016 Washington, DC USA

9. PCR London Valves 2016 18 to 20 Sep 2016.
10. Advances in Coronary Physiology, London 12 to 13 Sep 2016
11. 36th Congresso Nazionale Società Italiana di Cardiologia Invasiva GISE, Genova 27-30 Ottobre 2015
12. PCR London Valves 2015 Berlin 20 to 22 September, 2015
13. Endovascular cardiac complication -11th International Congress on Complications during Percutaneous Cardiovascular Intervention: Management & Prevention June 24th – 26th 2015 in Lausanne, Switzerland
14. EuroPCR 2015, Paris- France 19 - 22 Maggio 2015
15. Lotus Valve Training Course" April 14th , 2015 at the Institute for Advancing Science-France
16. Speaker in the Course hemodynamic 2014and more. La Spezia, Porto Lotti 8 November 17. 2014
18. EuroPCR 2015, Paris –France 20 - 23 Maggio 2014
19. Clinical Interventional Forum GISE-TOLOVE . Gardone- Italy, 10 Maggio 2014
20. CTO (Chronic Total Occlusion) Summit Turin-Italy, 10-11 Aprile 2014
21. PCR LONDON VALVES 201- London- England 28-30 September 2014.
22. TCT (25th Annual Transcatheter Cardiovascular Therapeutics Conference) October 27 - November 1, 2013 California-Francesco USA.
23. 34th National Congress of Italian Society of Invasive Cardiology (GISE) Genova,-Italy, 9-11 October 2013.
24. PCR LONDON VALVES 2013 – London- England 15-17 Settembre 2013.
25. BVS Summit . The fourth revolution in interventional cardiology from the stents to Vascular Reparative Therapy (La 4 Rivoluzione nella Cardiologia Interventistica dallo stent alla vascular Reparative therapy) ROME –ITALY 12 APRIL 2013.
26. CTO (Chronic Total Occlusion) Summit . Turine-Italy, February 28 -1 March 2013.
27. TCT (Transcatheter Cardiovascular Therapeutics) October 22 -26, 2012 Miami Florida . USA.
28. The Basic Anatomy of TAVI (Transcutaneous Aortica Valve implantation) Genova-Italy, October 12, 2012.
29. PCR LONDON VALVES 2013 – London- England 30Settembre – 2 October 2012.
30. Speaker in the Course Cardiology Evolves; diagnostic and therapeutic advances Lerici- La Spezia-Italy. Maggio 26, 2012 .
31. Euro PCR 2015, Paris –France 15 - 18 Maggio 2012.
32. 1st European Live Summit on Retrograde CTO Revascularization Catania-Italy 30-31 March 2012
33. The Basic Anatomy of TAVI (Transcutaneous Aortica Valve implantation) Padova-Italy, October 21, 2011.
34. 32nd National Congress of Italian Society of Invasive Cardiology (GISE) Genova-Italy. 11-14 October 2011.
35. Transcatheter Valve Therapies: an Advanced Scientific and Clinical Workshop. Vancouver-Canada, June 4-7,2011.
36. EuroPCR 2015, Paris –France 17 - 20 Maggio 2015.
37. Team Approache To TransCatheter Valve Therapies: Principle and Fundamentals. Milano-Italy, 09-10 May, 2011

38. Discussante" at "Cardiologia Interventistica: valvulopatia Aortica e Aritmie" Workshop organized ASL5 Spezzino. Lerici- La Spezia-Italy 12 March 2011.
39. Cardiac Interventions Under the Leaning Tower around percutaneous valve procedure. Pisa-Italy 27-28 January, 2011
40. Speaker at the course " Aortic valve. Therapeutic indications updated" organized by Azienda USL 5 La spezia –Italy . November 30, 2010
41. Speaker at the course " Aortic valve. Therapeutic indications updated" organized by Azienda USL 5 La spezia – Brugnato-Italy. November 18, 2010
42. PCR London Valves 2013 – London-England 11-12 October 2010
43. TCT (Transcatheter Cardiovascular Therapeutics) Washington, DC USA September 21 -25, 2010
44. ESC Congress 2010 in Stockholm –Sweden 28 August to 1 September.
45. Treating A Patient with a Bifurcation Lesion course, Lausanne- Switzerland 23 Jun 2010
46. Edwards Sapien Valve Training program , Edwards EMEA Headquarters Nyon, Switzerland 1-2 Jun 2010.
47. Joint Interventional Meeting JIM 2010,Rome-Italy 11-13 February 2010
48. La necessità di Un Servizio di Emodinamica di Riferimento. La Spezia-Italy, November 2,2009
49. 30th National Congress of Italian Society of Invasive Cardiology (GISE) Bologna-Italy , 20-23 October 2009
50. IV International Interventional Forum, Turin-Italy February 26-27, 2009
51. Joint Interventional Meeting JIM 2009,Rome-Italy 12-14 February 2009 Rome-Italy
52. Interventional Treatment of Complex CHD in Adults. November 6-7 2008 Massa-Italy
53. II° Cardioteam International Symposium. Update on Mitral Valve in Tuscany" Live Surgery and Ecocardiography" Massa, -Italy, April 18-19 2008
54. Sorin Technology and Clinical Evidences. PISA- Italy, April 4-5, 2008
55. Patent foramen Ovale, theoretical and practical Course, Pisa-Italy, October 19-20, 2006
56. 24th National Congress of Italian Society of Invasive Cardiology (GISE) Genova-Italy. 15-18 October 2003
57. Corso di Attualità In Tema di Cardiopatia Ischemica , Cariati Marina- Italy, Maggio 9, 2003
58. Cardiology and Radiology Interventional course, IFC-CNR, Massa-Italy April 8-9, 2003
59. Cath-Lab Training, IFC-CNR, Massa-Italy Jun 12, 2002
60. Cardiology: 2001 State of The Art , Interactive Course for Clinical Cardiologist. Avellino- Italy, May 31 – June 2, 2001
