

Curriculum Vitae Europass

Personal Information

Bruno Migliara

Phone

Fax

E-mail

Date of birth

Sex

Work experience

June 2003 – October 2022

Consultant

Vascular Surgeon at Vascular and Endovascular Unit,
Pederzoli Hospital, Peschiera del Garda (VR) Italy

November 2022 – Present

Chief

Vascular Surgeon at Vascular and Endovascular Unit,
Pederzoli Hospital, Peschiera del Garda (VR) Italy

Experiences as a Surgeon in development countries:

November 2000 – July 2001

January – February 2003

Kiremba Hospital (Burundi)

February – March 2014

Ngozi Provincial Hospital (Burundi)

October 2015

Mutoyi Hospital (Burundi)

Education and Training
Education and Training

June 1997
Degree in Medicine and Surgery, at Pavia University: "Il patch in pericardio bovino in chirurgia carotidea"

October 2002
General Surgery board certified, at Verona University: "Trattamento degli aneurismi viscerali"

April 2007
Surgical Science Ph.D, at Verona University: "Pazienti ad alto rischio in patologia carotidea. endoarterectomia versus trattamento endovascolare"

July 2017
Vascular Surgery board certified, at Padua University: "Trattamento delle occlusioni di bypass mediante trombectomia meccanica"

Personal skills

Mother tongue

Italian

Other languages

English and French

	Comprensione		Parlato		Scritto
	Ascolto	Lettura	Interazione orale	Produzione orale

French	B2	B2	B2	B2	B1

Additional information

FACULTY MEMBER:

- LINC Leipzig Interventional Course 2018-2020-2021-2022-2024-2025 (Leipzig – Germany)
- CHARING CROSS CX Symposium 2018-2024 (London – UK)
- CLIC 2019-2020-2021-2022-2023-2024-2025 (Padua – Italy)
- AMP Europe 2019-2020-2021-2022-2023-2024 (Lugano – Switzerland)
- CIRSE 2020-2022
- PVI (Paris Vascular Insight) 2021-2022-2024 (Paris-France)
- FYA (Find Your Algorithm) 2021-2022-2023-2024-2025 (London – UK)
- PAIRS 2023 (Dubai)
- HENDOLAT 2023 (Mexico City – Mexico)
- VERVE Symposium 2023 (Sydney – Australia)
- EVES Egyptian Vascular and Endovascular Summit 2024 (Cairo – Egypt)
- Vascular Art 2024 (Jeddah – Saudi Arabia)

COURSE DIRECTOR:

- BD Symposium in Riga (Latvia) 2023
- IVUS image interpretation in venous procedures for Philips
- Workshop in mechanical thrombectomy for Straub Medical & BD
- International 2-day Workshop on diabetic foot surgery and arterial revascularization for Abbott, BD, Boston Scientific, Cook Medical, Cordis
- Venous stenting for BD

CONSULTING for AB Medica (Italy), Abbott, BD, Biotronik, Boston Scientific, Cardionovum, Cook Medical, Cordis, Philips, Plus Medica, Straub Medical, ShockWave, WL Gore

Principal Investigator:

- "A Prospective, Global Multicenter, Single Arm Real-World Registry Investigating the Clinical Use and Safety of the Lutonix® Drug Coated PTA Dilatation Catheter"
- "Arterial-venous reversal flow on no-option CLTI patients" a Multicenter Italian study

Books Co-Author:

- Chirurgia Vascolare (III edizione). Francesco Speciale
Arteriopatia Obliterante degli Arti Inferiori. Distretto infrapopliteo. Trattamento endovascolare.
Pag.443-448
Edizioni Minerva Medica
- Tips and Tricks in chirurgia vascolare. Andrea Gaggiano
Trattamento endovascolare dei vasi tibiali.
Pag.169-177
Edizioni Minerva Medica
- Tips and Tricks in Endovascular Surgery. Jordi Cordobès-Gual, Manel Arrebola Lopez
Volume II: Peripheral arterial section
Chapter 26. Venous arterialization
Pag.227-234
Ediciones K&L

Reviewer:

- Journal of Endovascular Therapy (5-year Impact factor = 2.5)

Additional information

Presenting speeches:

- More than 150 during last 5 years in the most important Italian and International congresses
- Chairman and Moderator in more than 50 sessions during the most important Italian and International congresses

Most important publications:

1. Migliara B, Trentin M, Idone D, Mirandola M, Griso A, Lino M. Neurocognitive changes after eversion carotid endarterectomy under local anesthesia. *Annals of Vascular Surgery* 2013; 27: 727-35
2. Migliara B, Cappellari TF. A novel technique to create an arteriovenous fistula during total percutaneous deep foot venous arterialization using an IVUS guided catheter. *European Journal of Vascular and Endovascular Surgery* 2018; 55: 735
3. Migliara B. Treatment of no-option CLI patients (Editorial). *J Vasc Endovasc Therapy* 2018 ; 3 : 15
4. Migliara B. Totally percutaneous deep foot vein arterialization in no-option CLTI patients. Anatomical and technical key points (Editorial). *J Vasc Endovasc Therapy* 2020 ; 5 : 2-3
5. Migliara B, Mirandola M, Griso A, Feriani G, Nicoletti C, Lino M. Totally percutaneous deep foot vein arterialization in a patient with no-option critical limb ischemia, scheduled for bilateral major amputation. *J Vasc Interv Radiol* 2020 ; 31(9) : 1505-1507
6. Migliara B, Cappellari TF, Mirandola M, Griso A, Kolasa K, Zah V, Nicoletti C, Lino M. Treatment of bypass failure in patients with chronic limb threatening ischemia – open surgery vs. Percutaneous mechanical thrombectomy. *VASA* 2020 ; 49(5) : 395-402
7. Mirandola M, Griso A, Migliara B, Cappellari TF, Giovannini F, Lino M. An Italian experience with mechanochemical ablation of the saphenous vein since 2012. *J Vasc Surg Venous Lymphat Disord* 2020 ; 8(6) : 999-1005
