

MARCO FALCONE

Curriculum Vitae

Part II – Education

Type	Year	Institution	Notes
University graduation	2002	SAPIENZA UNIVERSITY OF ROME	MEDICINE, Mark 110/110 with honours
Post-graduate studies	2006	UNIVERSITAT AUTONOMA BARCELONA	Fellowship on infections in transplantation
PhD/Specialty	2007	SAPIENZA UNIVERSITY OF ROME	INTERNAL MEDICINE, Mark 70/70 with honours

Part III – Appointments

IIIA – Academic Appointments

Start	End	Institution	Position
2008	2011	Faculty of Medicine SAPIENZA University of Rome	Research fellow
2011	2013	Department of Public Health and Infectious Diseases, SAPIENZA University of Rome	Research fellow
2013	2018	Department of Public Health and Infectious Diseases, SAPIENZA University of Rome	Research associate, Assistant Professor in Infectious Diseases
2016	-->	School of Advanced Studies (SSAS) SAPIENZA University of Rome	Fellow
2018	2020	Department of Clinical and Experimental Medicine, University of Pisa (Italy)	Assistant Professor of Infectious Diseases
2020	2022	Department of Clinical and Experimental Medicine, University of Pisa (Italy)	Associate Professor of Infectious Diseases
2022	-->	Department of Clinical and Experimental Medicine, University of Pisa (Italy)	Full Professor of Infectious Diseases

Part IV - Society memberships, Awards and Honors

Year	Title
2007	Member of the Italian Society of Internal Medicine (SIMI)
2009	Awarded by the Italian Society of Internal Medicine (SIMI) as best young investigators in Italy.
2010	Member of the European Society of Clinical Microbiology and Infectious Diseases (ESCMID)
2013	Member of the Italian Society of Infectious Diseases (SIMIT)
2016	Member of the ESCMID Study Group for Infections in the Elderly (ESGIE)
2019->	Elected member of the Board of the Italian Society of Infectious Diseases (SIMIT)

2021-2023	Secretary, Italian Society of Infectious Diseases (SIMIT)
2020-2024	Chair of the ESCMID Study Group for Infections in the Elderly (ESGIE)
2024-→	Member of the Executive Committee of the International Society of Chemotherapy (ISAC)
2025-→	Appointed as ESCMID fellow (FESCMID)

Part V - Research Activities

Keywords

Brief Description

Nosocomial infection	His clinical and research activity focuses on the clinical and molecular epidemiology of infections with multi-drug resistant (MDR) organisms, with the intent of translation of knowledge into optimal prevention and treatment of these infections. He has participated as principal investigator in national and international clinical studies on anti-infective agents, and has published several studies on endocarditis, bacteremia, pneumonia, bone and joint infections, and other areas of interest of Infectious Diseases. He participated to the activities of Data and Safety Monitoring Board (DSMB) for randomized clinical trials. To date he published more than 280 indexed articles, with an overall impact factor of more than 2.000 points, 13.887 overall citations, and H-index of 60 (calculated by Scopus, accessed 7th October 2025). Co-recipient in 2014 of the Infectious Diseases Society of America (IDSA) Emanuel Wolinsky Award for the better article published on 2013 su Clinical Infectious Diseases (Clin Infect Dis 2013;56:1261-8.). The same paper has been considered as the most influencing paper of 2013 from the Society of Infectious Diseases Pharmacists (Am J Health-Syst Pharm. 2014; 71:e119- 33). Treasurer of the ESCMID study group for infections in the elderly (ESGIE). Board member of the Italian Society of Infectious Diseases and Tropical Medicine (SIMIT), Executive Committee member of the International Society of Chemotherapy (ISAC). From 2025 has been nominated ESCMID fellow (FESCMID). He serves as Full Professor in Infectious Diseases at Faculty of Medicine of the University Pisa (Italy) and Director of the Infectious Diseases Clinic of the University Hospital of Pisa (Italy).
Antibiotic resistance	
Fungal infections	
Pneumonia	
Antimicrobial Stewardship	

Part VI– Summary of Scientific Achievements

Product type	Number	Data Base	Start	End
Papers [international]	283	PUBMED, EMBASE	2002	2025

Total Impact factor	More than 2.000 points
Total Citations	13.887 (Scopus, accessed 7th October 2025)
Hirsch (H) index	60 (Scopus, accessed 7th October 2025)

Part VII – Professional experiences

2009	2011	Polclinico Umberto I, Rome	Infectious Diseases Consultant –Department of Infectious Diseases
2011	2014	Polclinico Umberto I, Rome	Physician - Infectious Diseases Consultant – Department of Emergency
2018	2022	Pisa University Hospital, Pisa (Italy)	Physician - Infectious Diseases Consultant – Department of Infectious Diseases
2022	---→	Pisa University Hospital, Pisa (Italy)	Director - Infectious Diseases Unit

Pisa, 07 of October 2025
