TRAINING

05/2022 - 06/2022

Postgraduate course: Models of Item Response Theory (IRT)

Description: The course aims to introduce the Item Response Theory (IRT), a psychometric model that contrasts with the classic approaches to the construction of tests and which has great potential in the current landscape of test evaluation.

Course director: Prof. Caterina Primi

Course location: University of Florence, NEUROFARBA

08/2021 - 02/2022

Internship in Psychometrics Laboratory

University of Florence (NEUROFARBA)

The activity involved the study of the psychometric properties of well-known psychological tests, the introduction to statistical analysis and participation in the "Project PRIZE 2 - Prevention of Risks Related to Gambling in Adolescents".

08/2020 - 02/2021

Project Erasmus+

Vrije Universiteit Brussel, Belgium

01/2020 - 07/2020

Project Erasmus+

Eötvös Loránd University of Budapest, Hungary

WORK EXPERIENCE

12/2021 - 04/2022 - Florence, Italy

Research activity

Prof. Caterina Primi

Review of the literature on personality tests with in-depth analysis of the Big Five Questionnaire-2 (BFQ-2, Italian version Caprara et al., 2016) and related psychometric properties.

09/01/2022 – 06/2022 – Pontedera, Italy

Private preparation for university admission tests

Individual preparation through private lessons for students wishing to access university courses with a limited number of students.

The lessons included the teaching of logical reasoning, grammar of the Italian language and solving mathematical problems.

08/2019 – 01/2020 – Pontedera, Italy

Teaching of learning techniques

Prof. Luisa Filippi

Realization of three-month courses in three classes of E. Montale high school selected by Prof. Luisa Filippi. The courses included the teaching of learning techniques such as: study setting and correct mindset, advanced reading, mnemonics and concept maps.

03/2019 – 10/2019 – Florence, Italy

Collaborator of VirtHuLab laboratory

Prof. Andrea Guazzini

Support in creating a web application to promote good behaviors regarding food waste, and involvement in the implementation of social psychology experiments.
