

CALL FOR TWO TECHNOLOGY EXPERTS

Sant'Anna School for Advanced Studies – Pisa

Job Position

Sant'Anna School for Advanced Studies announces a public selection based on qualification and competitive exams for two technology experts, following art. 24-bis L. 240/2010; the contracts will run for 24 months, with placement in EP grade, economic position EP1. These roles will provide both technical and managerial support to the project: "BRIEF - Biorobotics Research and Innovation Engineering Facilities".

Main duties and activities

As part of the research activities funded through the National Recovery and Resilience Plan (PNRR), supported by the European NextGenerationEU programme, two professional figures capable of providing both administrative and technical support to the projects are needed.

The successful candidates will support the management of personal and non-personal data in the context of research activities related to BRIEF in synergy with the relevant WP, the regulatory compliance of the project, and the drafting of experimental protocols for ethics committees.

As part of the activities, the figures will manage a plurality of legal issues related to the secondary uses of personal data in research to support the analysis of data required within the project. Therefore, an advanced level of knowledge of the guidelines offered by the Personal Data Supervisor and the European Committee of Data Supervisors is requested.

Moreover, the figures being sought may be required to support and coordinate activities in the following fields: design and development of concrete tools operationalizing ethics and compliance with the law with a design sensitive to values, incorporating principles and rules for the protection of privacy, fairness and transparency; innovative ethical and legal solutions in the use and exploitation of data, also connected to AI solutions related to the design and execution of data science and social mining experiments on a large scale, open to users with different backgrounds.

Admission Requirements

- Master's degree in Law
- At least five years (also if not continuous) of documented job experience in pertinent fields
- Excellent knowledge of both English and Italian language.
