

## **Id 3722 - CALL: REAL-TIME AND SECURE ORCHESTRATION OF SOFTWARE COMPONENTS IN VIRTUALIZED SYSTEMS**

### **Position and grant**

Scuola Superiore Sant'Anna announces a call to assign one Research Fellowship to perform research activities related to the scientific field ING-INF/05 - Information Processing Systems, at the Telecommunications, Computer Engineering, and Photonics Institute. The gross amount of the fellowship is € 20.000 per year. The present fellowship cannot be cumulated with other fellowships and grants except those aimed at financing a period of stay abroad necessary within the research activity. The duration of the research fellowship is 12 months, renewable in case of positive evaluation of the research activities performed.

### **Research Activity**

- Research title “Real-time and secure orchestration of software components in virtualized systems ”.
- Research description “The candidate will carry out research activities in the context of the project "An Artificial Intelligence Aided Unified Network for Secure Beyond 5G Long Term Evolution - NANCY", a project funded by the European Union in the context of the HORIZON-JU-SNS-2022 program, which involves a consortium of 22 institutions and involves the participation of large leading big-tech companies in the sector, such as NEC and Ericsson, among others.

The research will focus on the orchestration of virtualized software (both through traditional virtual machines and containers) in order to ensure secure and reliable (mostly from a timing perspective) end-to-end connectivity between distributed software platforms in the IoT-to-Edge-to-Cloud continuum, also using mechanisms based on Machine Learning (ML) and Artificial Intelligence (AI) for orchestration decisions.”.

### **Admission Requirements**

- Applicants must hold a Master’s degree in Computer systems engineering or Computer science.

### **Application and attachments**

The candidate is requested to apply online at: <https://www.santannapisa.it/it/assegni-di-ricerca-e-selezioni-incarichi-esterni/istituto-di-telecomunicazioni-informatica-e-21> by writing his/her email address in the field “Procedi alla selezione”; the candidate will be redirected to the registration page and have the possibility to apply following an English form after selecting “Read this page in English”.

In case of difficulties, please contact the Administration Office (Tel. +39-050-883.254/575, e-mail [assegniricerca@santannapisa.it](mailto:assegniricerca@santannapisa.it)).

Attachments (pdf format):

- copy of a valid identity document (Passport)
- copy of the scientific-professional Curriculum Vitae, signed and dated (please use the EU format)
- copy of all academic titles (MSc/MA Degree, PhD ...) and copy of the MSc and or PhD thesis and of all publications and other elements which can be useful for the evaluation (these documents must be saved in a zip folder);

- Substitute declarations (attachment B and C) to be downloaded during online application, filled, signed and uploaded
- a list of all the attached documents, signed and dated

The candidate must indicate his/her status, personal information and qualities in the curriculum vitae. Particularly, he/she must also analytically indicate studies completed, qualifications earned, publications and/or patents, services provided, functions performed, the positions held and any other scientific, professional and educational activities that may have been performed, listing exact references for each qualification indicated.

Academic and professional qualifications must be self-certified by the form at Attachment B or submitted in copy accompanied by a declaration of conformity to the original, pursuant to Presidential Decree no. 445 of 28 December 2000, using the form at Attachment C. Other qualifications, theses and/or publications may be submitted in their original form or in copy accompanied by the declaration in lieu of notarized affidavit using the form at Attachment C.

### **Selection method and ranking list**

The selection is based on the assessment of qualifications and an interview for a total of 100 points, of which 40 points are for the assessment of qualifications and 60 points are for the interview.

### **Assessment of qualifications:**

- 1) Academic qualifications: 32 points
- 2) Scientific publications: 4 points
- 3) Research activity related to the topic of this Call in public or private organizations: 4 points

The candidate will be admitted to the interview if he/she obtains at least 28 points in the evaluation of the titles and will pass the interview by obtaining at least 42 points.

A ranking list of eligible candidates will be drawn up by the examination committee at the end of the selection.
