

CALL: FABRICATION AND CHARACTERIZATION OF CELL-INSPIRED MICROROBOTS

Position and grant

Scuola Superiore Sant'Anna announces a call to assign one Research Fellowship to perform research activities related to the scientific field ING-IND/34 - Industrial Bioengineering, at the Institute of Biorobotics. The gross amount of the fellowship is €20.400,00 per year. The present fellowship cannot be cumulated with other fellowships and grants except those aimed at financing a period of stay abroad necessary within the research activity. The duration of the research fellowship is 12 months, renewable in case of positive evaluation of the research activities performed.

Research Activity

- Research title “Fabrication and characterization of cell-inspired microrobots”.
- Research description “The selected person will carry on research activities in the field of microrobotics for medical applications, within the framework of the project CELLOIDS (<https://www.santannapisa.it/en/institute/biorobotics/celloids>), at the Microscale Robotics Laboratory (<https://www.santannapisa.it/en/institute/biorobotics/microscale-robotics-laboratory>) of the BioRobotics Institute. In particular, the research activity will focus on the fabrication and characterization of ultra-deformable microrobots able to move in confined environments. The activity will involve micro-fabrication techniques, morphological and functional characterization, and the building of setups for the development of the microrobots. The ideal person for this position has a strong and wide background in engineering and experimental sciences, proved by excellent education results, and has gained experience relevant to the abovementioned research activities. In addition, they can communicate in English”.

Admission Requirements

- Applicants must hold a Master Degree.

Application and attachments

The candidate is requested to apply online at: <https://www.santannapisa.it/it/assegni-di-ricerca-e-selezioni-incarichi-esterni/istituto-di-biorobotica-fabbricazione-e> by writing his/her email address in the field “Procedi alla selezione”; the candidate will be redirected to the registration page and have the possibility to apply following an English form after selecting “Read this page in English”.

In case of difficulties, please contact the Administration Office (Tel. +39-050-883.254/258, e-mail assegniricerca@santannapisa.it).

Attachments (pdf format):

- copy of a valid identity document (Passport)
- copy of the scientific-professional Curriculum Vitae, signed and dated (please use the EU format)
- copy of all academic titles (MSc/MA Degree, PhD ...) and copy of the MSc and or PhD thesis and of all publications and other elements which can be useful for the evaluation (these documents must be saved in a zip folder);
- Substitute declarations (attachment B and C) to be downloaded during online application, filled, signed and uploaded

➤ a list of all the attached documents, signed and dated

The candidate must indicate his/her status, personal information and qualities in the curriculum vitae. Particularly, he/she must also analytically indicate studies completed, qualifications earned, publications and/or patents, services provided, functions performed, the positions held and any other scientific, professional and educational activities that may have been performed, listing exact references for each qualification indicated.

Academic and professional qualifications must be self-certified by the form at Attachment B or submitted in copy accompanied by a declaration of conformity to the original, pursuant to Presidential Decree no. 445 of 28 December 2000, using the form at Attachment C. Other qualifications, theses and/or publications may be submitted in their original form or in copy accompanied by the declaration in lieu of notarized affidavit using the form at Attachment C.

Selection method and ranking list

The selection is based on the assessment of qualifications and an interview for a total of 100 points, of which 40 points are for the assessment of qualifications and 60 points are for the interview.

Assessment of qualifications:

- 1) Academic qualifications: 28 points
- 2) Scientific publications: 3 points
- 3) Research activity related to the topic of this Call in public or private organizations: 9 points

The candidate will be admitted to the interview if he/she obtains at least 24 points in the evaluation of the titles and will pass the interview by obtaining at least 36 points.

A ranking list of eligible candidates will be drawn up by the examination committee at the end of the selection.

Deadline for applications: 27/07/2023, 12:00 p.m. CEST.

Interview: 31/07/2023 14:30 p.m. CEST.

Resident abroad applicants may also ask to hold their interview in their country of residence via conference call. In this case the candidate is asked to contact Italian Embassies or his/her local University, arranging the interview for the date scheduled and considering that he/she will be previously identified by an employee or a Professor.

Formalization of the fellowship and contract termination

Scuola Superiore Sant'Anna will contact the winner at the email address provided for the selection, offering him/her the fellowship and asking to reply before the beginning of the fellowship.

In case you need information or help in submitting your application, please contact the Personnel Office, +39.050.883.254/258, email assegniricerca@santannapisa.it.

The official version of this Call is available only on the Italian page.
