## Education

---

<b>Sant'Anna School</b> <i>Phd in Economics</i>	October 2022 – Present <i>Pisa, Italy</i>
<b>Sant'Anna School &amp; Università di Pisa</b> <i>Master of Science in Economics</i> Final grade: 110/110 cum laude	September 2019 – October 2021 <i>Pisa, Italy</i>
<b>Università degli studi di Firenze</b> <i>Bachelor's Degree in Political Science</i> Final grade: 110/110 cum laude	September. 2016 – October. 2019 <i>Firenze, Italy</i>

## Summer Schools

---

<b>Ca' Foscari</b> <i>Summer School in Networks Econometrics</i> Econometrics technique as parametric and nonparametric sparse regression models and tensor decomposition for temporal network model.	July 2022
<b>Oxford University</b> <i>Summer School in Economic Networks</i> Network inference and modelization techniques, applications, and network theory's impact in economics and development.	June 2021
<b>Tinbergen Institute</b> <i>Summer School "Behavioral Macro and Complexity"</i> Complex dynamics; Heterogeneous expectations in cobweb and asset pricing models; Empirical validation and behavioral New Keynesian models; Experimental macro economics.	August 2020

## Other Experience

---

<b>Scuola IMT Alti Studi Lucca</b> <i>Visiting student</i> To follow the course: Maximum Entropy Models of Complex Systems I, Maximum Entropy Models of Complex Systems II, Introduction to Network Science, Network Reconstruction.	November 2022 – April 2023 <i>Lucca</i>
<b>ISTAT</b> <i>Internship - Sustainable wellbeing at a territorial level</i> Research on constraint-based causal inference algorithms, applying FCI algorithm to the BES' indicators, looking for the causes of variability in the subjective indicator "life satisfaction". My research questions were: what are the determining causes of life satisfaction? is there any difference between genders in the variables that affect life satisfaction?	February 2020 – June 2021
<b>European University Institute</b> <i>Internship</i> database management on CRM software; help to organise "State of the Union" conference; monitoring European press (concerning conference guests and the E.U.I.);	October 2018 – January 2019 <i>Firenze</i>
