CALL FOR APPLICATIONS FOR NO. THREE ASSISTANT PROFESSOR POSITIONS

The Sant'Anna School of Advanced Studies, Pisa (Sant'Anna School) announces a call for the recruitment of three assistant professors (ricercatori a tempo determinato) with full time temporary contract pursuant to Italian Law no. 240/2010, art. 24 paragraph 3 letter A at the Academic Class of Social Sciences:

One position in the Academic Recruitment Field Economic Policy (SC 13/A2) – Academic Discipline Economic Policy (SSD SECS-P/02) at the Institute of Economics for the activities of the EMbeDS Department of Excellence (Economics and Management in the Era of Data Science) – codex: Economic Policy - position type A for EMBEDS.

The selected candidate will conduct high profile research meeting international standards in the field of theoretical microeconomics – with a focus on financial market models with interacting agents, the analysis of the efficiency of markets with imperfect information, and the emerging properties of financial markets in the presence of heuristic behaviors. The research activity will address, in particular, two core areas of the EMbeDS Department of Excellence: economies as evolving complex systems, and industrial dynamics, competitiveness and financial markets. The candidate must therefore demonstrate a good attitude towards team work on broad research projects, involving the combined use of numerical, mathematical and statistical tools for the analysis of dynamical systems and stochastic processes applied to Economics.

Two positions in the Academic Recruitment Field Management (SC 13/B2) – Academic Discipline Management (SSD SECS-P/08) at the Institute of Management among them one for the activities of the EMbeDS Department of Excellence (Economics and Management in the Era of Data Science) – codex: Management - positions type A.

Position for the activities of the EMbeDS Department of Excellence: the selected candidate will conduct high profile research meeting international standards in the field of healthcare management – with a focus on Big Data-enabled decision in healthcare assistance pathways, using both administrative data and surveys derived from users’ experience and outcome. The research activity will address, in particular, one core area of the EMbeDS Department of Excellence: social and environmental sustainability. The candidate must therefore demonstrate a good attitude towards team work on broad research projects, involving the combined use of numerical, mathematical and statistical tools for the analysis of the complex healthcare system, leveraging the availability of Big Data of different nature and from different sources.

Position for the activities of the Institute of Management: the candidate will work on developing effective performance measurement system for Italian Regional Administrations. Moreover, the candidate will conduct research on performance evaluation systems for Nursing homes.

The successful candidates will also teach at the undergraduate (allievi ordinari), Masters (allievi Laurea Magistrale) and doctoral (allievi perfezionandi/PhD, alta formazione) levels.
Duration of the contracts: three years.

Salary: 25.318 € gross per year.

Admission Requirements:
Candidates must satisfy the following requirements:
- to hold a PhD or equivalent. If the PhD degree or equivalent qualification has been awarded abroad, candidates must provide the documents which certify that these qualifications are considered equivalent according to the Italian law in force (equipollence/equivalence-recognition of degrees). If candidates do not comply with the requirement while submitting the application, they will be admitted to the selection under condition and, if winners, they have to submit all necessary documents certifying that their qualifications are considered equivalent according to the Italian law in force by the date of the signature of the contract¹.
- to have an excellent knowledge of both written and spoken English.
