EDUCATION

Graduated in law at the University of Pisa with honours in 2002

Ph.D Degree in Italian and Comparative Agricultural Law at the University of Pisa (2007) with a thesis on agricultural risks as regulated in European and national agricultural law

CURRENT POSITION

Assistant Professor of Agricultural, Food and Environmental law at the Institute of Law, Politics and Development (Dirpolis) of the Sant'Anna School (SSSA) of Pisa since 15 April 2011

Qualified as Associate Professor since October 2018

Registered lawyer (Bar of Pisa, Italy)

Mentoring Experience and Academic Activity

Mariagrazia has tutored several undergraduates, Master's students, and interneers. She has also been the supervisor of several final theses for undergraduate and graduate students both at Sant'Anna and at external universities (e.g. Trento and Padova).

She has supervised and is currently supervising several Ph.D students.

Mariagrazia is deputy-coordinator for the Ph.D Programme in Human Rights and Global Politics: Legal, Philosophical and Economic Challenges (2015-today).

She was delegated by the Rector to coordinate the initiatives of the Sant'Anna School for BRIGHT-European Researchers' Night (2019-today).

She is member of the Dirpolis council (2012-today).

She is member of the scientific council of the Interuniversity Research Center on Applied Remote Sensing (CIRTA), as delegate of the Dirpolis Institute (2017-present).

She was a representative member of Assistant Professors in the Academic Senate (2014-2016).

She was member of the Management Committee for the Master's Degree in International Studies and Transnational Governance (ISTG) organised by the Sant'Anna School and the International Studies School of the University of Trento (2013-2015).

She was representative member of the Governing Board (Giunta d'Istituto) of the Dirpolis Institute (2012-2015).

Journals - Editorial Appointments - Referee Activity

Member of the Editorial Board of the EU Agrarian Law journal (Publisher: De Gruyter)

Member of the Editorial Board of the 'Legal Issues in Transdisciplinary Environmental Studies' (LITES) Book Series (Publisher: Springer)

Member of the International Advisory and Peer Review Board of the Rivista Quadrimestrale di Diritto dell'Ambiente/Quarterly Journal of Environmental Law (Publisher: Giappichelli)

Referee for several class A Italian journals of agri-food law

Reviewer for the Italian research agency (Anvur) in the 2004-2010 and 2011-2014 research assessment exercises

Reviewer of many research projects (FIRB and SIR) for the Italian Ministry of Education and Research (MIUR)

Scientific Societies

Member of the management board of the World Union of Agricultural Law Professors (UMAU)

Member of the Italian Agrarian Law Association (AICDA)

Member of the Italian Food Law Association (AIDA-IFLA)

RESEARCH

Principal Investigator in the following Research Projects:

- PIT Panacea: Interdisciplinary project on water management and climate change adaptation (December 2018-December 2020 – Financial programme: Rural development programme Common agricultural Policy)
- AGRIPSI: Interdisciplinary project on social farming (March 2017-December 2017 – Financial entity: Italian Agricultural Association)
- Accessible Food Labelling: the provision of accessible labelling system to visually impaired people (January 2015-January 2016 - Financial entity: Sant'Anna School 5xmille)
- Food labelling and Provisions of food information to consumers in the current EU framework (September 2014-August 2015 - Financial entity: Italian Private Food Company)
- By-products and biomass in the mineral sector (September-November 2012 - Financial entity: Italian Industrial Association)

Other Significant Research:

- participant in a research project on water regulation financed by the Italian Ministry for University and Research (PRIN) from February 2013-2016.
- participant in a research project on ‘Tuscany towards Expo 2015’, 2014, (funded by the regional administration of Tuscany).
- participant in a research project on the EU Common Agricultural Policy together with CNR-IDAIC of Florence - funded by the Florence Bank Foundation (January-December 2013).
- participant in a research project on agro-energy regulation financed by the Italian Ministry for University and Research (PRIN), 2010-2012.
- appointed by Scuola Sant’Anna to carry out a research on mineral water legislation and case law (July-August 2008).
- participant in a project on land drainage for the Association of Consortia for Land Drainage in Tuscany (URBAT), 2008.
- appointed by the Institute of International and Comparative Agricultural Law (IDAIC-CNR) to take part in the Agricultural Code project, in particular for the part related to the agricultural insurance contract (2005).
- participant in a research project on agri-food production ('typical' and traditional) and rural development financed by the Italian Ministry for University and Research (PRIN), 2004-2005.
- appointed by the Department for Private Law, University of Pisa to carry out a research on regulations and case law on labelling, presentation and advertising of foodstuffs (March-April 2005).
- member of a research group which drew up the regional law on biodiversity conservation (Legge Regionale Toscana 16 novembre 2004, n. 64) and the related regulation on its implementation (Regolamento di attuazione della L.R. 64/2004).

Research fellowships and grants obtained:

- Fellowship for research on bioenergy produced by farms (Sant’Anna School, August 2010-April 2011).
- Post-doctoral grant for research on the intangible assets of agricultural holdings (Sant’Anna School, February 2008-January 2010).
- Fellowship for research on agricultural risks and agricultural legislation (Sant’Anna School, August 2005-February 2007).
- Fellowship for research on foods with traditional characteristics and rural land development (Sant’Anna School, April-October 2004).

Visiting Research Periods:

- Visiting scholar at the School of Law of the University of Leeds, UK (May-July 2013)
- Research period at the Institute of Advanced Legal Studies (I.A.L.S.) London, UK (July-August 2015)
- Visiting scholar at the School of Law of the University of Cambridge, UK (July-August 2016)
- Professeure invitée at the Université Toulouse 1 Capitole, Faculté de droit (FR) (March-April 2018)
- Visiting professor at the University of Sao Paulo (Brazil), Faculty of Law of Ribeirao Preto (May 2018)

LECTURING

Mariagrazia Alabrese has taught undergraduate and Master's students at the Sant'Anna School, University of Pisa, University of Padova. The main focus of her teaching experience in the last few years has been on:

- Global Food Security (in English)
- Sustainable development
- The Transatlantic Trade and Investment Partnership (TTIP): agri-food and agri-environmental issues
- Wto, Agriculture and Environment
- The European Common Agricultural Policy and the role of agricultural policies in food security
- Bioenergy, food security and sustainable development
- Environmental legislation

She also gives an annual course in English on Agricultural Law and Human Rights to Ph.D Students of the Programme in Human Rights and Global Politics: Legal, Philosophical and Economic Challenges.

CONFERENCES

Mariagrazia Alabrese has been invited to participate and give papers in many national workshops and congresses.

The following includes only some of the **international congresses** she has taken part in with a presentation on the following topics:

- Food sovereignty and food security: concepts and legal framework, XXX Congress of the *Comité Européen de Droit Rural*, Poznan – Polonia (18-21 September 2019)

- What do you mean by food? Climate change and the nutrient collapse, *Journées d'études interdisciplinaire dans le cadre de l'Atelier «L'ALIMENT» du GDR Nost*, University of Pisa, June 2018
- Mega-regional trade agreements as new sources of global agri-food law, XIV Congress of Agricultural Law, San Jose, Costa Rica, September 2016
- Agriculture, environment and the land resource in Italy, XIII World Congress of Agricultural Law, Ribeirao Preto, Brazil, September 2014
- Promotion of energy production from agroforestry biomass in EU and Italian Law, 2° L.A.I.R. Group International Workshop, Lecce, Italy, 8-9 May 2014
- Communities' Ability in Consultations and Land Transactions: Improving the "Empowering Effect" of Tenure Security Initiatives in Rural Mozambique, with Giorgia Mei, Annual Conference of the World Bank - Land and Poverty 2013, Washington D.C., 8-11 April 2013
- Land Use, Bioenergy and Sustainability, XII World Congress of Agricultural Law, Nitra, Slovakia, 5-8 June 2012
- Quality food and halal products, XI Day of Islamic Law and Arab States, Pisa, Italy, 19-20 November 2010
- Liability for cross-pollination damage, XI World Congress of Agricultural Law, Toledo, Spain, 5-11 June 2010
- Agricultural Cooperatives in Italy, X World Congress of Agricultural Law, Rosario-Paraná, Argentina, 4-7 November 2008
- The supply of agricultural products in agri-tourism enterprises, University of Costa Rica, Santa Cruz, 28 January 2005
- Regional and traditional food production and land evaluation, International Congress of Islamic Law and Arab States, Pisa, Italy, 2-4 December 2004
- Protection of the indigenous germplasm – EU and Italian legislation, VIII World Congress of Agricultural Law, Veracruz-Boca Del Rio, Mexico, 23-27 September 2003.
