Workflow per Springer

Search for your institution

Authors are asked to type in their institution in the search field and **“select their institution”**.

Authors should then select the institution from the drop-down list in order for the identification to work.

Authors are identified via **IP** and/or **e-mail domain** in the “background”.

SPRINGER NATURE

Next steps for publishing your article

Confirm your institution or university

Dear Dr. Jens Nielsen,

Some articles are eligible for part or full coverage of the open access article-processing charge as part of an institutional agreement with Springer Nature.

[More information about open access agreements here.](#)

Please enter your institution or university below to see if you are eligible.

Search for your institution or university

Select your affiliation

If the author is identified as eligible, a **welcome message** appears, which provides further information on the OA agreement.

Authors are informed on how they were identified.

Eligible article types:

- OriginalPaper
- ReviewPaper

Eligible license types:

- CC-BY
- CC-BY NC

Confirm your eligibility status

Dear Dr. AuthorName AuthorSurname,

Thank you for confirming your institution or university. Based on your selection, you have been identified as affiliated to the institution or university below.

**Open access at no cost to you**

You have identified yourself as affiliated with [redacted]. The national Italian agreement between CRUI-CARE and Springer Nature enables you to publish your article open access with the fees covered by the agreement.

On www.springer.com/oaforitaly you will find specific information on the agreement.

Please note: The institution you selected will verify your eligibility based on your affiliation as corresponding author. This affiliation should be indicated consistently throughout the process. Please ensure that this affiliation will be stated in the published article. Charges for additional services (color in print, posters, etc.) are not covered by this agreement.

I want to publish my article open access, with my fees covered under the agreement between Springer Nature and my institution.

Yes, submit for approval!

No, I want to publish my article without open access
