Open Call – Associate Professorship in Bioengineering
The BioRobotics Institute
Scuola Superiore Sant’Anna, Pisa, Italy

The Scuola Superiore Sant’Anna announces a call for the recruitment of a permanent position of Associate Professor under Italian Law 240/2010, art. 18, par. 1, reserved to candidates who are or have not been employed by Scuola Superiore Sant’Anna, in the Academic Recruitment Field “Bioengineering” (09/G2 Bioingegneria) – Academic Discipline “Industrial Bioengineering” (ING-IND/34 Bioengineering) at The BioRobotics Institute for the activities of the Program Department of Excellence in Robotics & A. I.

PROFILE
We are looking for an expert in bioengineering, with specific reference to: concept, design and fabrication of autonomous intelligent systems; study and modelling of the natural and/or artificial intelligence, aimed at developing models for the implementation of intelligent behaviors in biomedical and/or biomimetic devices and robots, and/or for explaining pathological conditions with modelling tools.

The successful candidate will be required to teach courses at all levels, within the context and requirements defined the scientific disciplinary sector. The successful candidate will be expected to teach both in English and in Italian.

Applicants should consult The BioRobotics Institute website (www.biorobotics.santannapisa.it) to review our academic and research programs.

APPLICATION
The deadline for the application is: June 30, 2020.
PERMANENT LINK OF THIS CALL: https://www.santannapisa.it/it/selezioni-e-concorsi/selezione-il-reclutamento-di-un-professore-associato-bioingegneria-industriale

Scuola Superiore Sant’Anna is an equal-opportunity/affirmative action employer. Women and underrepresented minorities are especially encouraged to apply.

Privacy statement
1.1 The EU Regulation 2016/679 on General Data Protection Regulation (hereinafter GDPR) and the Italian Privacy Code (Legislative Decree 196/2003, as modified by Legislative Decree 101/2018) are applicable to the candidates’ personal data processing.
1.2 The Data Controller is the Scuola Superiore Sant’Anna, a public university institute, located in Piazza Martiri della Libertà, 33 Pisa, in the person of the Rector pro tempore.
1.3 Your personal data (e.g. name, career, contacts, cv, recommendation letters, etc.) will be collected by the Scuola under the call for interest by email and processed for the completion of the application procedure as well as, for the successful candidate/s, the subsequent management of the Professor’s career, and for all related activities.

1.4 Personal data are processed under article 6, sub b) GDPR to establish a contractual relationship and article 6, sub e) GDPR to perform tasks of public interest within the institutional activities of the Scuola, including the purposes of archiving, historical research, and analysis for statistical purposes. Personal data will be processed, also with automated tools (in-house software and databases hosted on servers sited in Italy as well as by other processors e.g. CINECA), in compliance with the principles of accountability, lawfulness, correctness, minimization, transparency, integrity, accuracy, confidentiality and proportionality.

1.5 Your personal data provided in the call for interest will be communicated or transferred to third parties (public and / or private parties) within the context of institutional relations, for the fulfilment of legal obligations or regulations or of contracts, within the services required by the Scuola (e.g. access to facilities, ICT services, The BioRobotics Institute administration etc.) as well as to the members of the Committees.

1.6 The collected personal data may be communicated or transferred to established parties in third countries, only if suitable data protection guarantees and conditions have been ascertained.

1.7 The collected personal data will be published on the official online register and on the Scuola’s institutional website if specified by the law for transparency purposes and other regulations of the Scuola.

1.8 The collected personal data will be processed and stored for the time strictly necessary to achieve the purposes for which they have been collected, in any case, special provisions on the documentation storage by public institutions will be applied.

1.9 The data subject may exercise the following rights:
- to access to personal data, in the cases and in the ways referred to in art. 15 GDPR;
- the rectification, erasure or restriction of the processing of personal data, in the cases and ways referred to in Articles 16-18 of the Regulations; erasure is not permitted for the data included in the documents that must be kept by the Scuola to guarantee transparency in public activities;
- the portability of data, in the cases and in the ways referred to in article 20 GDPR;
- to object to the processing, under article 21 GDPR;
- the right to submit a complaint to the Italian Data Protection Authority.

1.10 The aforementioned rights may be exercised by sending a request by email either to the Data Controller protocollo@sssup.legalmailpa.it or to the Privacy Committee of the Scuola privacy@santannapisa.it. For any further information, please do not hesitate to contact the Data Protection Officer (DPO), email: dpo@santannapisa.it.
